THE PHONE GIRLS

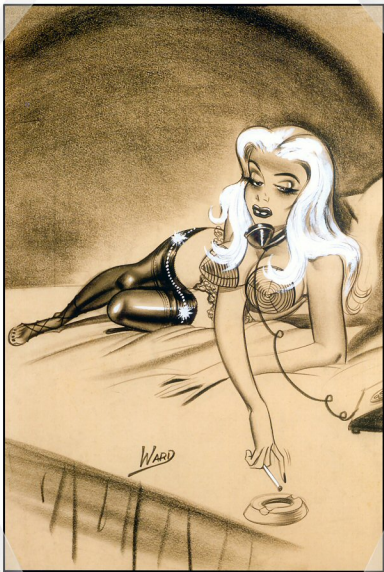

"I don't care if you aren't the richest man in town; you don't make a poor showing when you're with me!"

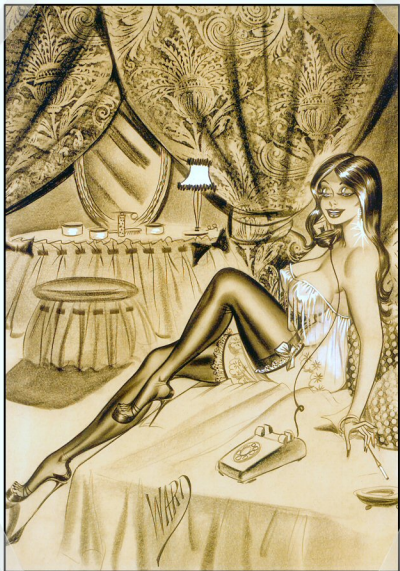

"We said he had heard a lot about me, but I told him he'd have a hard time proving it!"

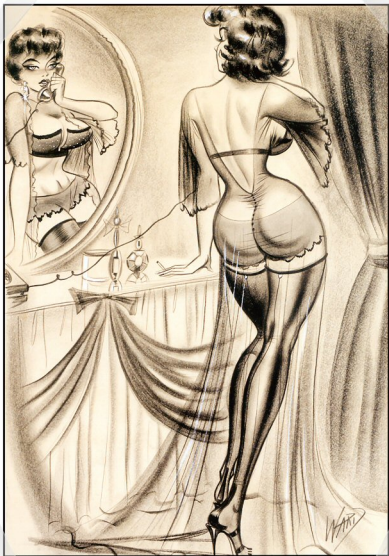

"I think I know what you are going to say, and put that way, it certainly sounds incredible!"

"What makes you so sure you have the wrong number?"

"Oh, my new job is grand; all I had to do the first day was to take down all he would say!"

"I don't know whether to take a pop pill and keep my date with John or take a sleeping pill and go to the opera with Paul!"

"Inflation may take its toll, but bachelor's quarters will always be at a premium!"

"Of course I like art! Art who?!"

"Don't forget, if your electric blanket blows a fuse—call me!"

"I'll accept your offer to help me, Greg, but all I'm going to show is my appreciation!"

"I would have been home earlier expect for tire trouble; he didn't tire easily!"

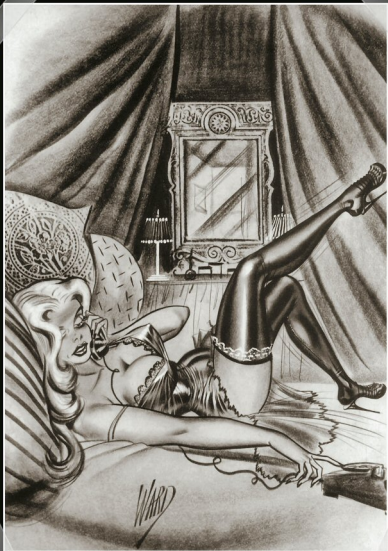

"Mr. Bodabaise, I never did tell anyone you were a flat head; I said you were level-headed!"

"Listen Johnny, you can't have your cake and eat it, so why don't you loosen up with some of that dough!"

"You may have believed you were throwing me a line, but all the time you were being roped in!"

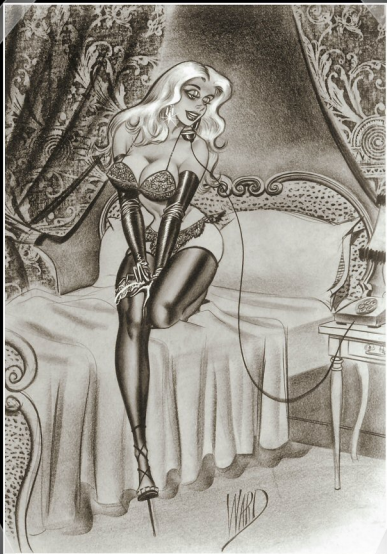

"I must inform you, Mr. Wangle, that I'm accustomed only to the highest standard of giving!"

"Harry works in a bank, but I'm not worried—I'm sure he's not a teller!"

"Howst Fred, I never kiss a man goodnight, because by the time he leaves, it's mornin'!"

"Well, you might say I'm half in and half out!"

"Well, if you really don't know how to thank me for a great evening . . . I have a suggestion . . ."

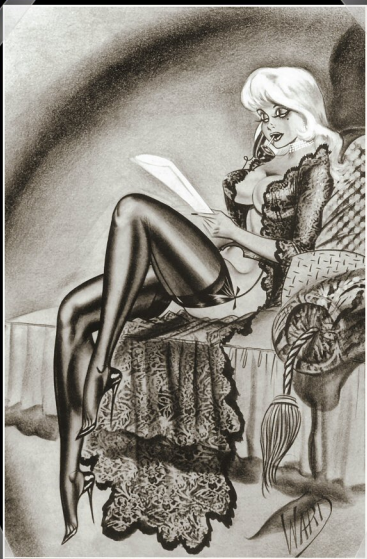

"What do you mean you'd like my status quo?"

"I'm marrying him because it's a love match—he has a yacht and I love yachting!"

"All I want to hear from you, George, are three little words—here's my chuckbook!"

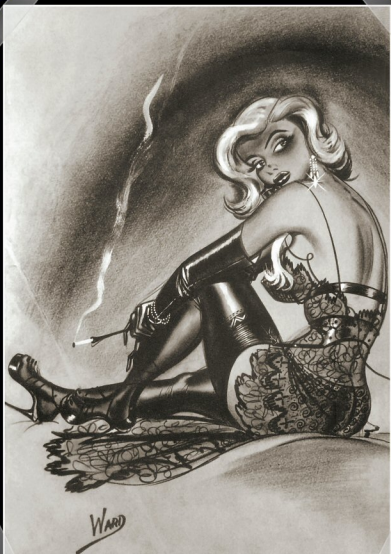

"I'm the type of girl he'd like to hook, but I'm out of reach of his pocketbook!"

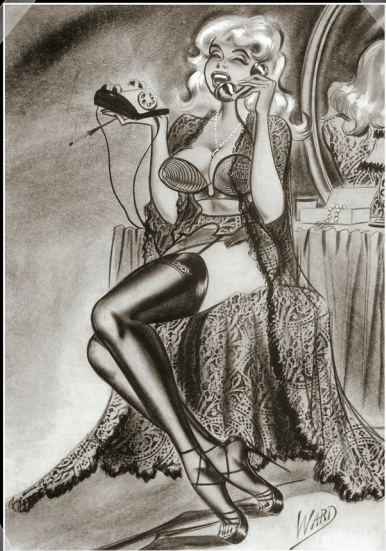

"He boasted he was a self-made man . . . started at the bottom and liked it so much that he stayed there!"

"Oh yes, I know plenty of nice boys in the Navy—just gobs and gobs!"

"I want you to know that I can see through your subter-fuge!" "We'll who couldn't; after all, it's only silk!"

"All right, Honey, we can make up our minds on what to do when you get here!"

"I suppose I'm what you would call 'The other woman!'—I move in nothing but the best triangles!"

"Here's to Sally, who uses the phone to prove that one need never be alone!"

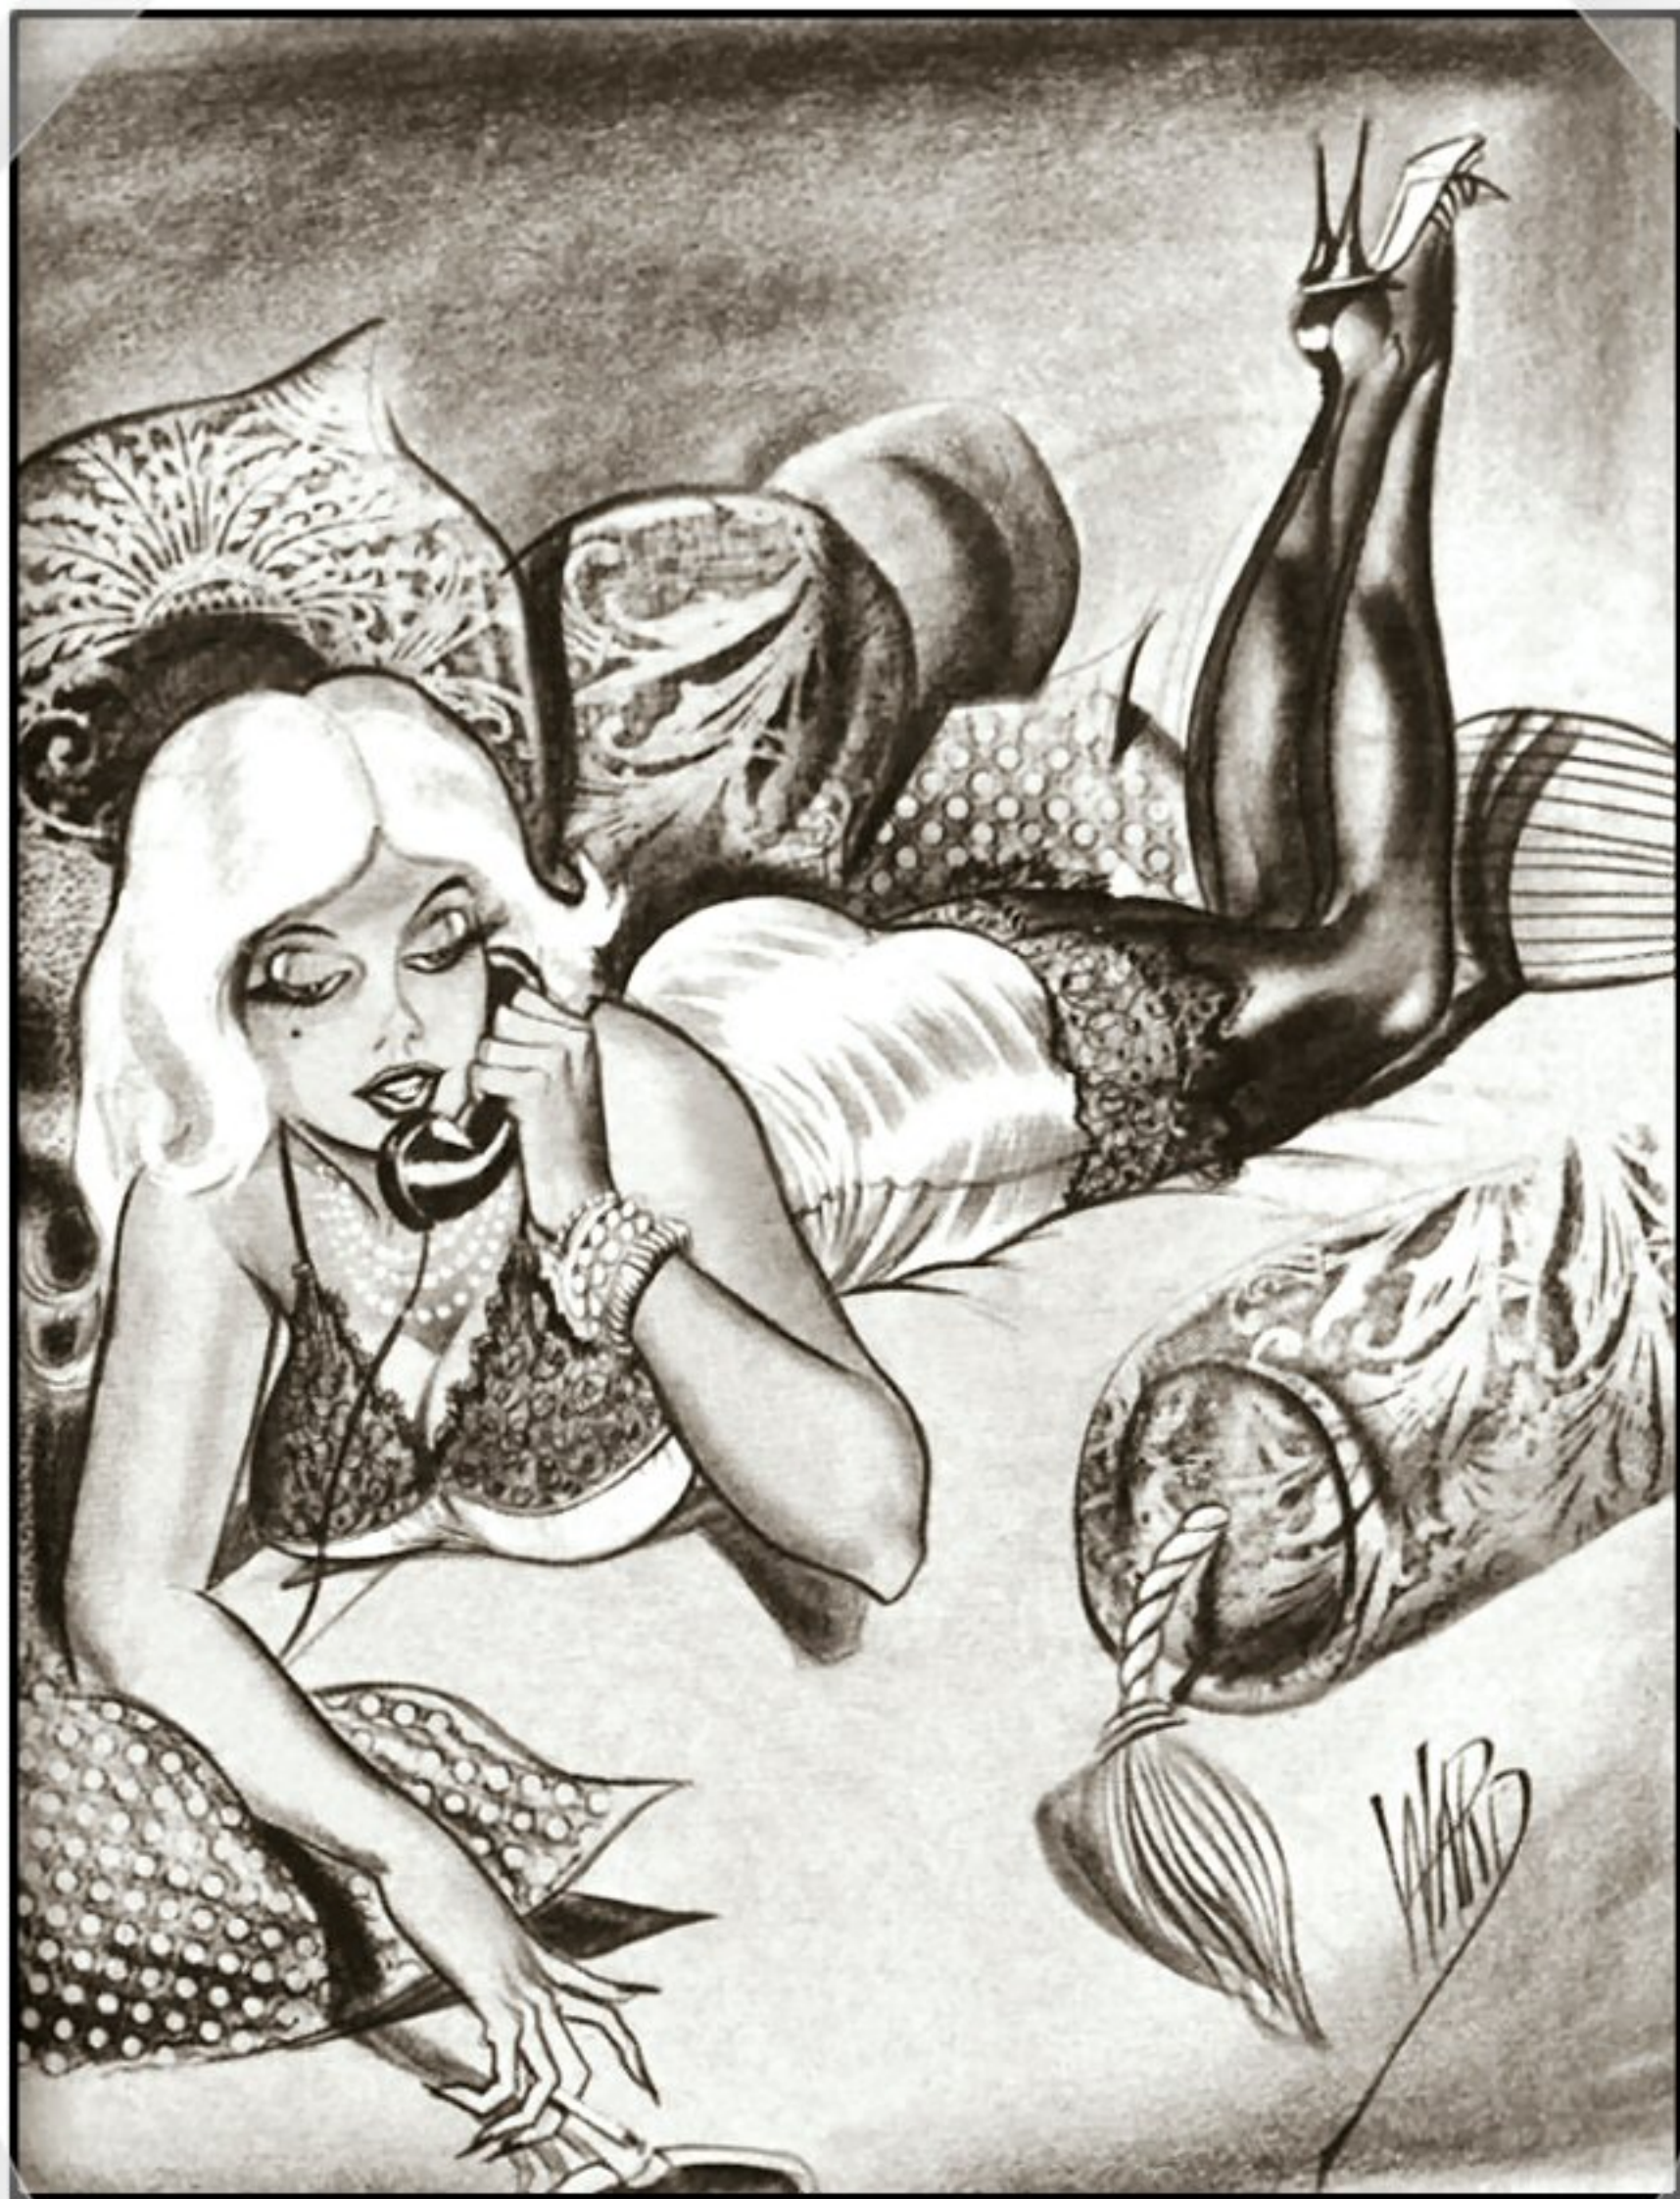

"I fit into George's arms all right—but I'm afraid I don't fit into his income!"

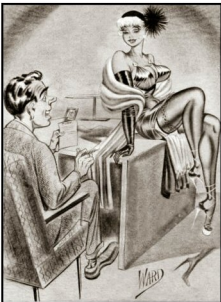

"Sorry, Jack; my intermissions are all taken, but I have a couple of dances left!"

"When it comes to fashions, Dinah, we girls are the rivals; always trying to outstrip one another!"

"I like the way Henry budgets his money—yesterday he bought me a mink coat in one easy payment!"

F

ADMIRING THE FEMALE FORM

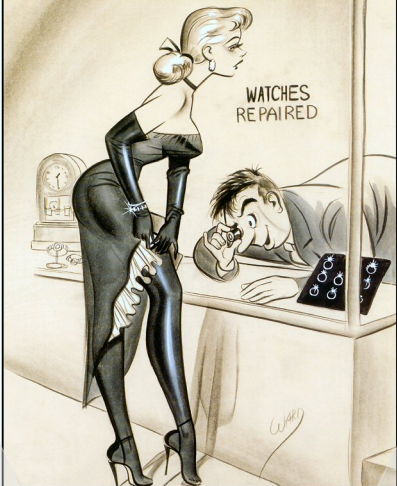

"Oh no—you're not buying the first pair you try on—this is my unlucky day!"

"Sarge, we don't have to arrest her as soon as she gets in, do we?"

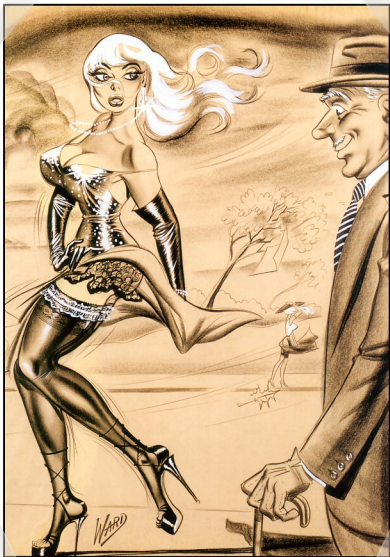

JEWELERS

WATCHES
REPAIRED

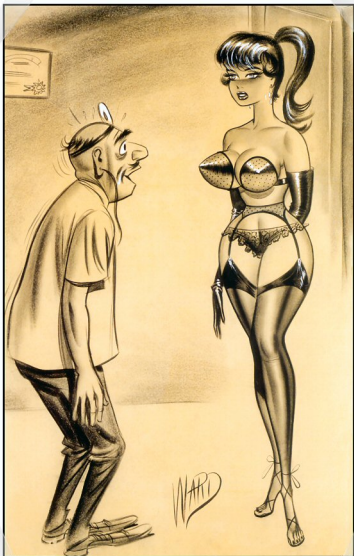

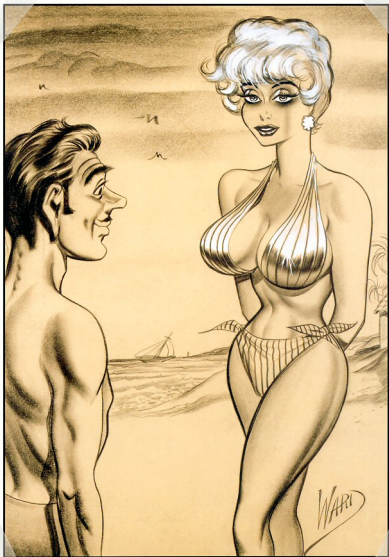

"Well, make up you mind so I'll know what not to wear!"

"Mrs. Jones—you always seem to look better then ever on breezy days!"

"Doctor—you seem so excited—what have you found wrong with me?"

"I just love Acapulco Jose—it seems to bring out the best in me!"

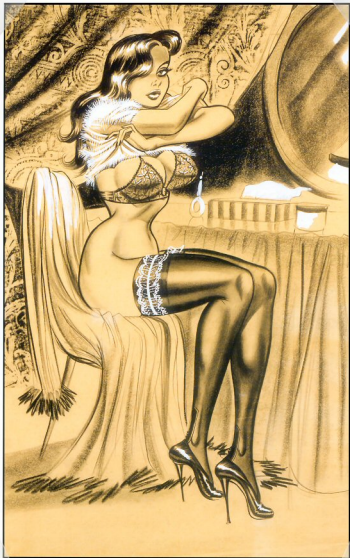

"Isn't it odd Mr. Harris, but not only are you the first mate—but you remind me of my first mate!"

"Well maybe it does present more of a challenge this way, but I still think you should have let me wear my other hiking outfit!"

"No thank—I've danced with Americans before, and I'm afraid in your case the mustache would tickle!"

"A sweater does things for a girl—it can make her look even better; providing, of course, that she does things herself, for the sweater!"

"Nobody take me out riding nights; nobody takes me to see bright lights! Is it because I'm a gay deceiver?
No . . . I think I forgot to hand hang up the receiver!"

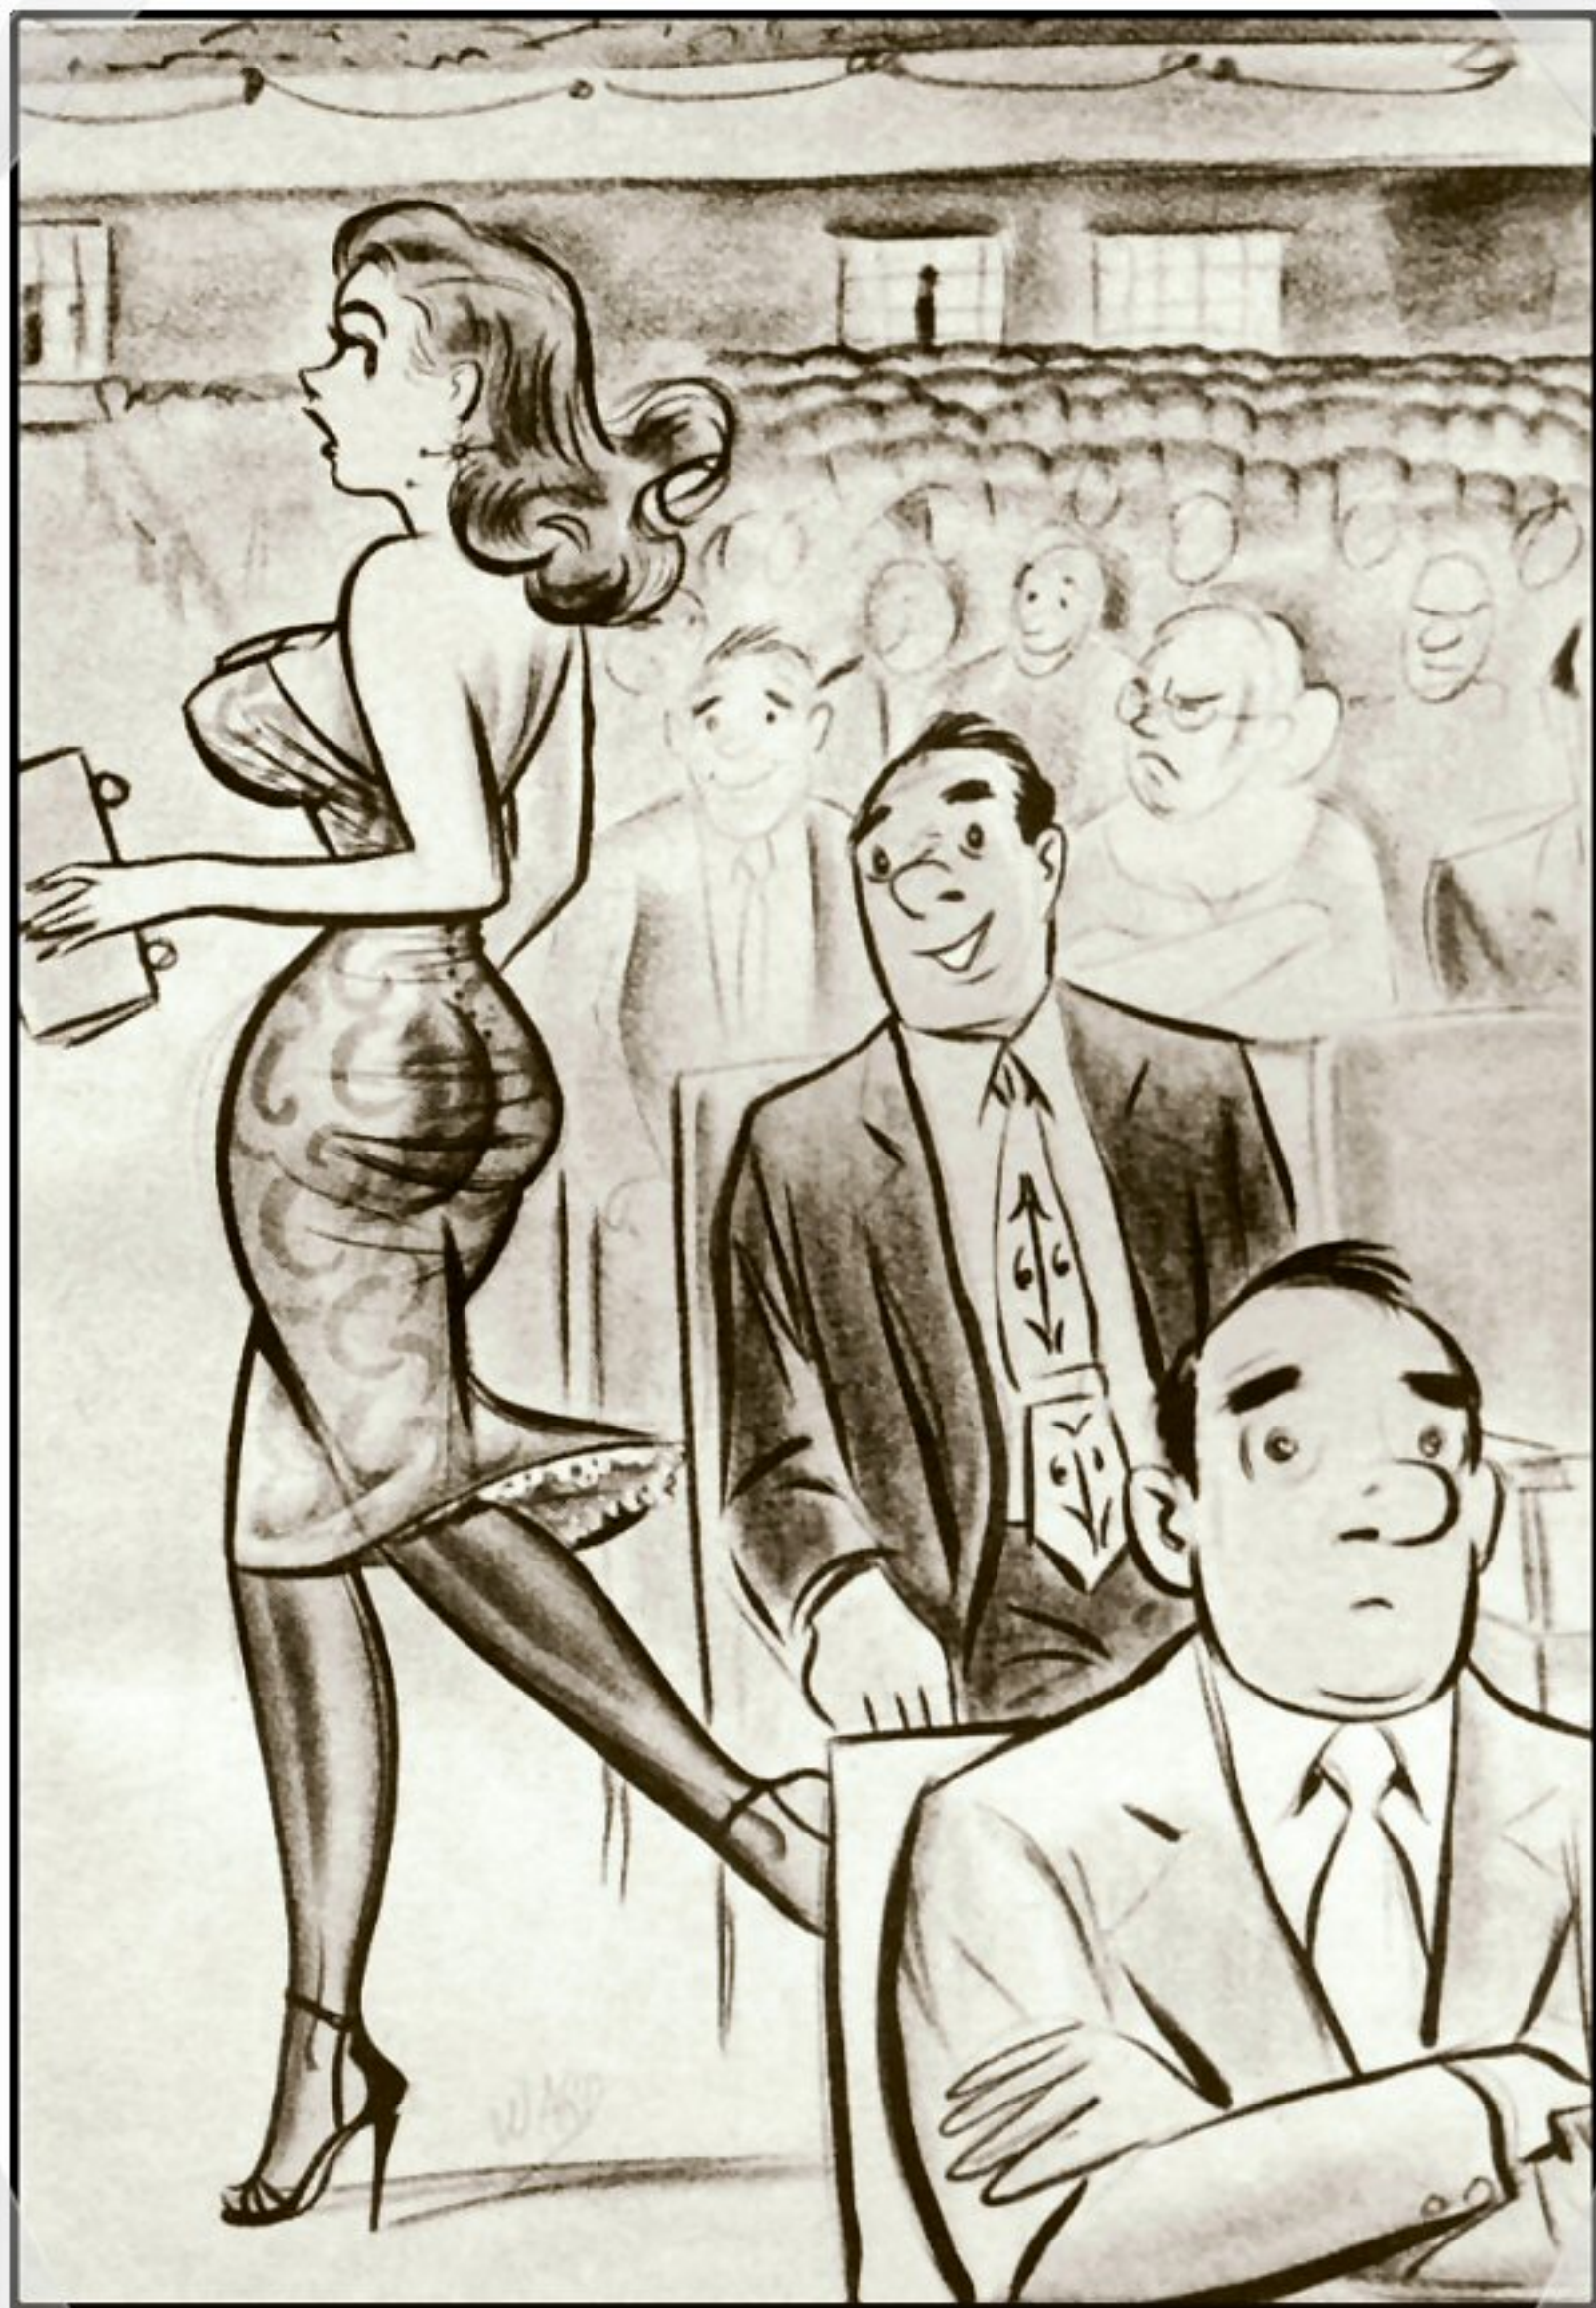

"I'll say she's sedate—watch—one whistle and it sedate!"

"You sure can see plenty from up here—can't you Mr. Howard!"

"Since you ask, Miss Laverne I can think of 2 very good reasons why I'm asking for this dance!"

"SHALL I HOLD YOUR SEAT FOR YOU, LADY?"

"Are you sure that's the right combination, Mr. Brown, I've tried it 15 times now and it won't open!"

"Why, Doctor, I had no idea the roots go down that far!"

"NUCLEAR FISSION MUST BE LOTS OF FUN, BUT DID YOU EVER TRY FOR SALMON?!"

*"Aren't they the two most beautiful gems you've
ever seen?!"*

**"LISTEN, DOCTOR, I CAME TO TAKE SOME ALLERGY TESTS AND YOU
HAVEN'T EVEN SCRATCHED THE SURFACE!"**

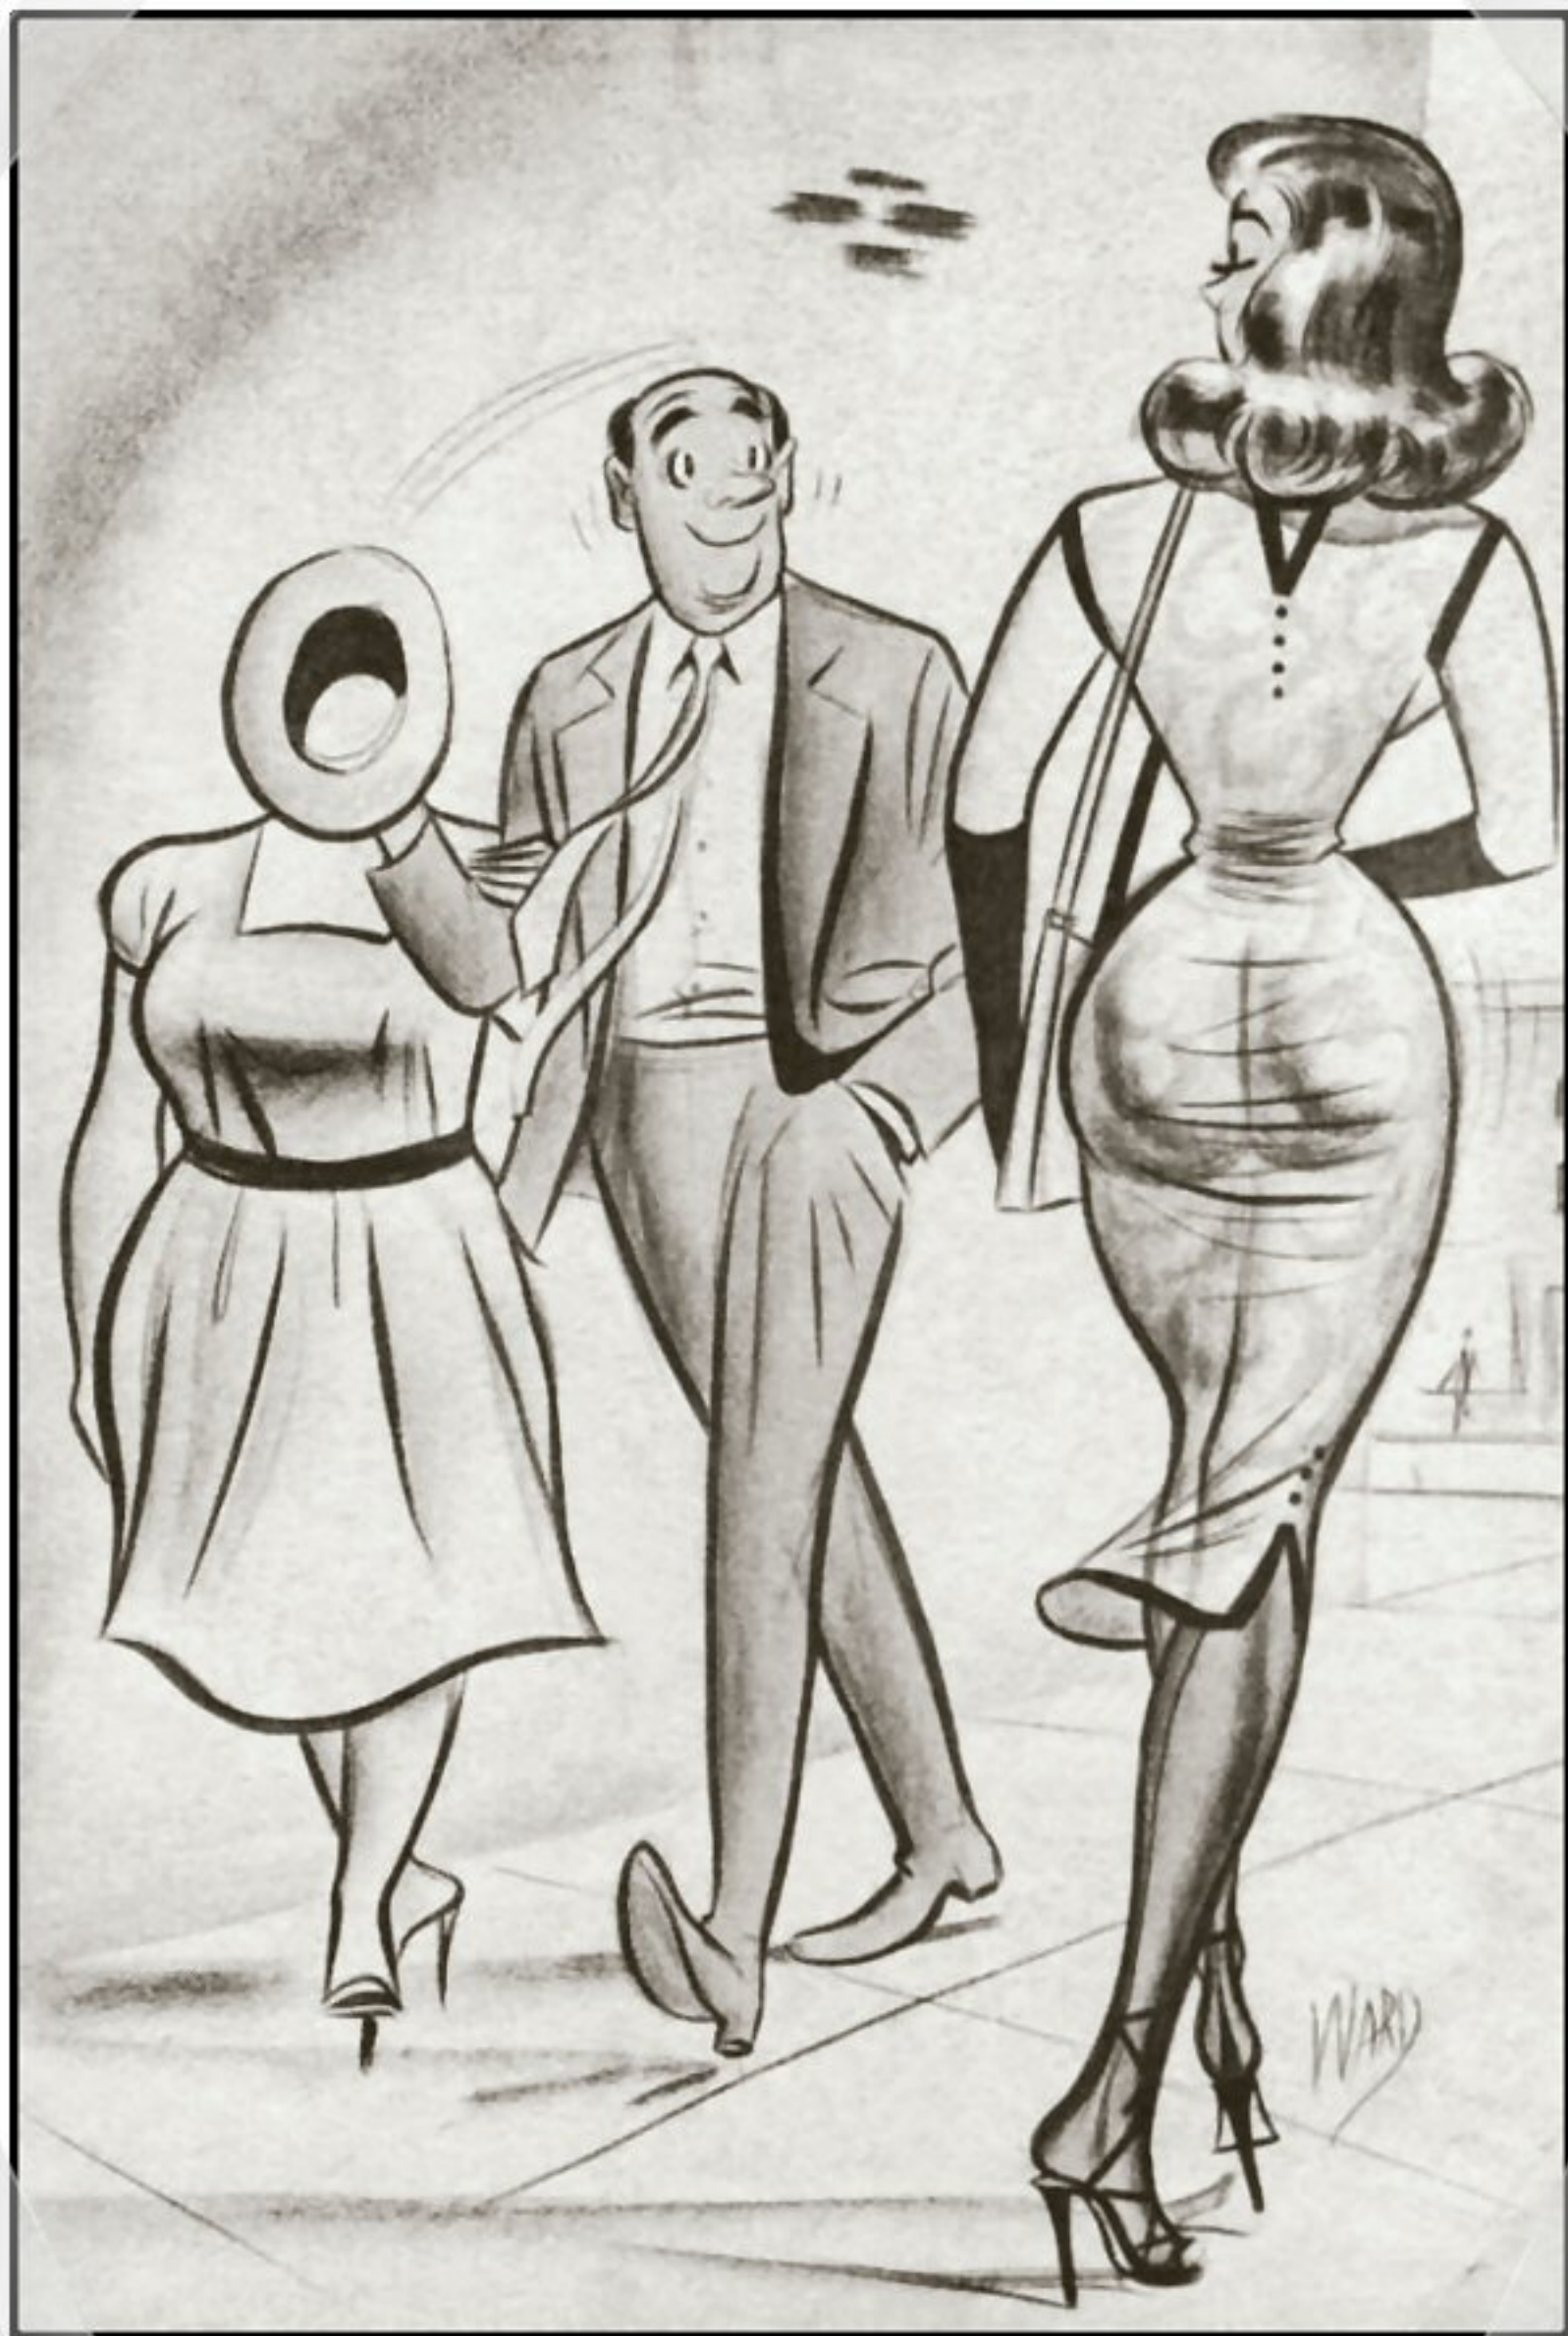

**"ALL RIGHT I'LL TAKE IT IF YOU WILL GUARANTEE THAT IT ISN'T
SHRINKPROOF!"**

"THIS MAN FORGOT WHERE HE'S GOING — WHAT STATION ARE YOU GETTING OFF AT TODAY?"

"But, Bob, the music stopped five minutes ago!"

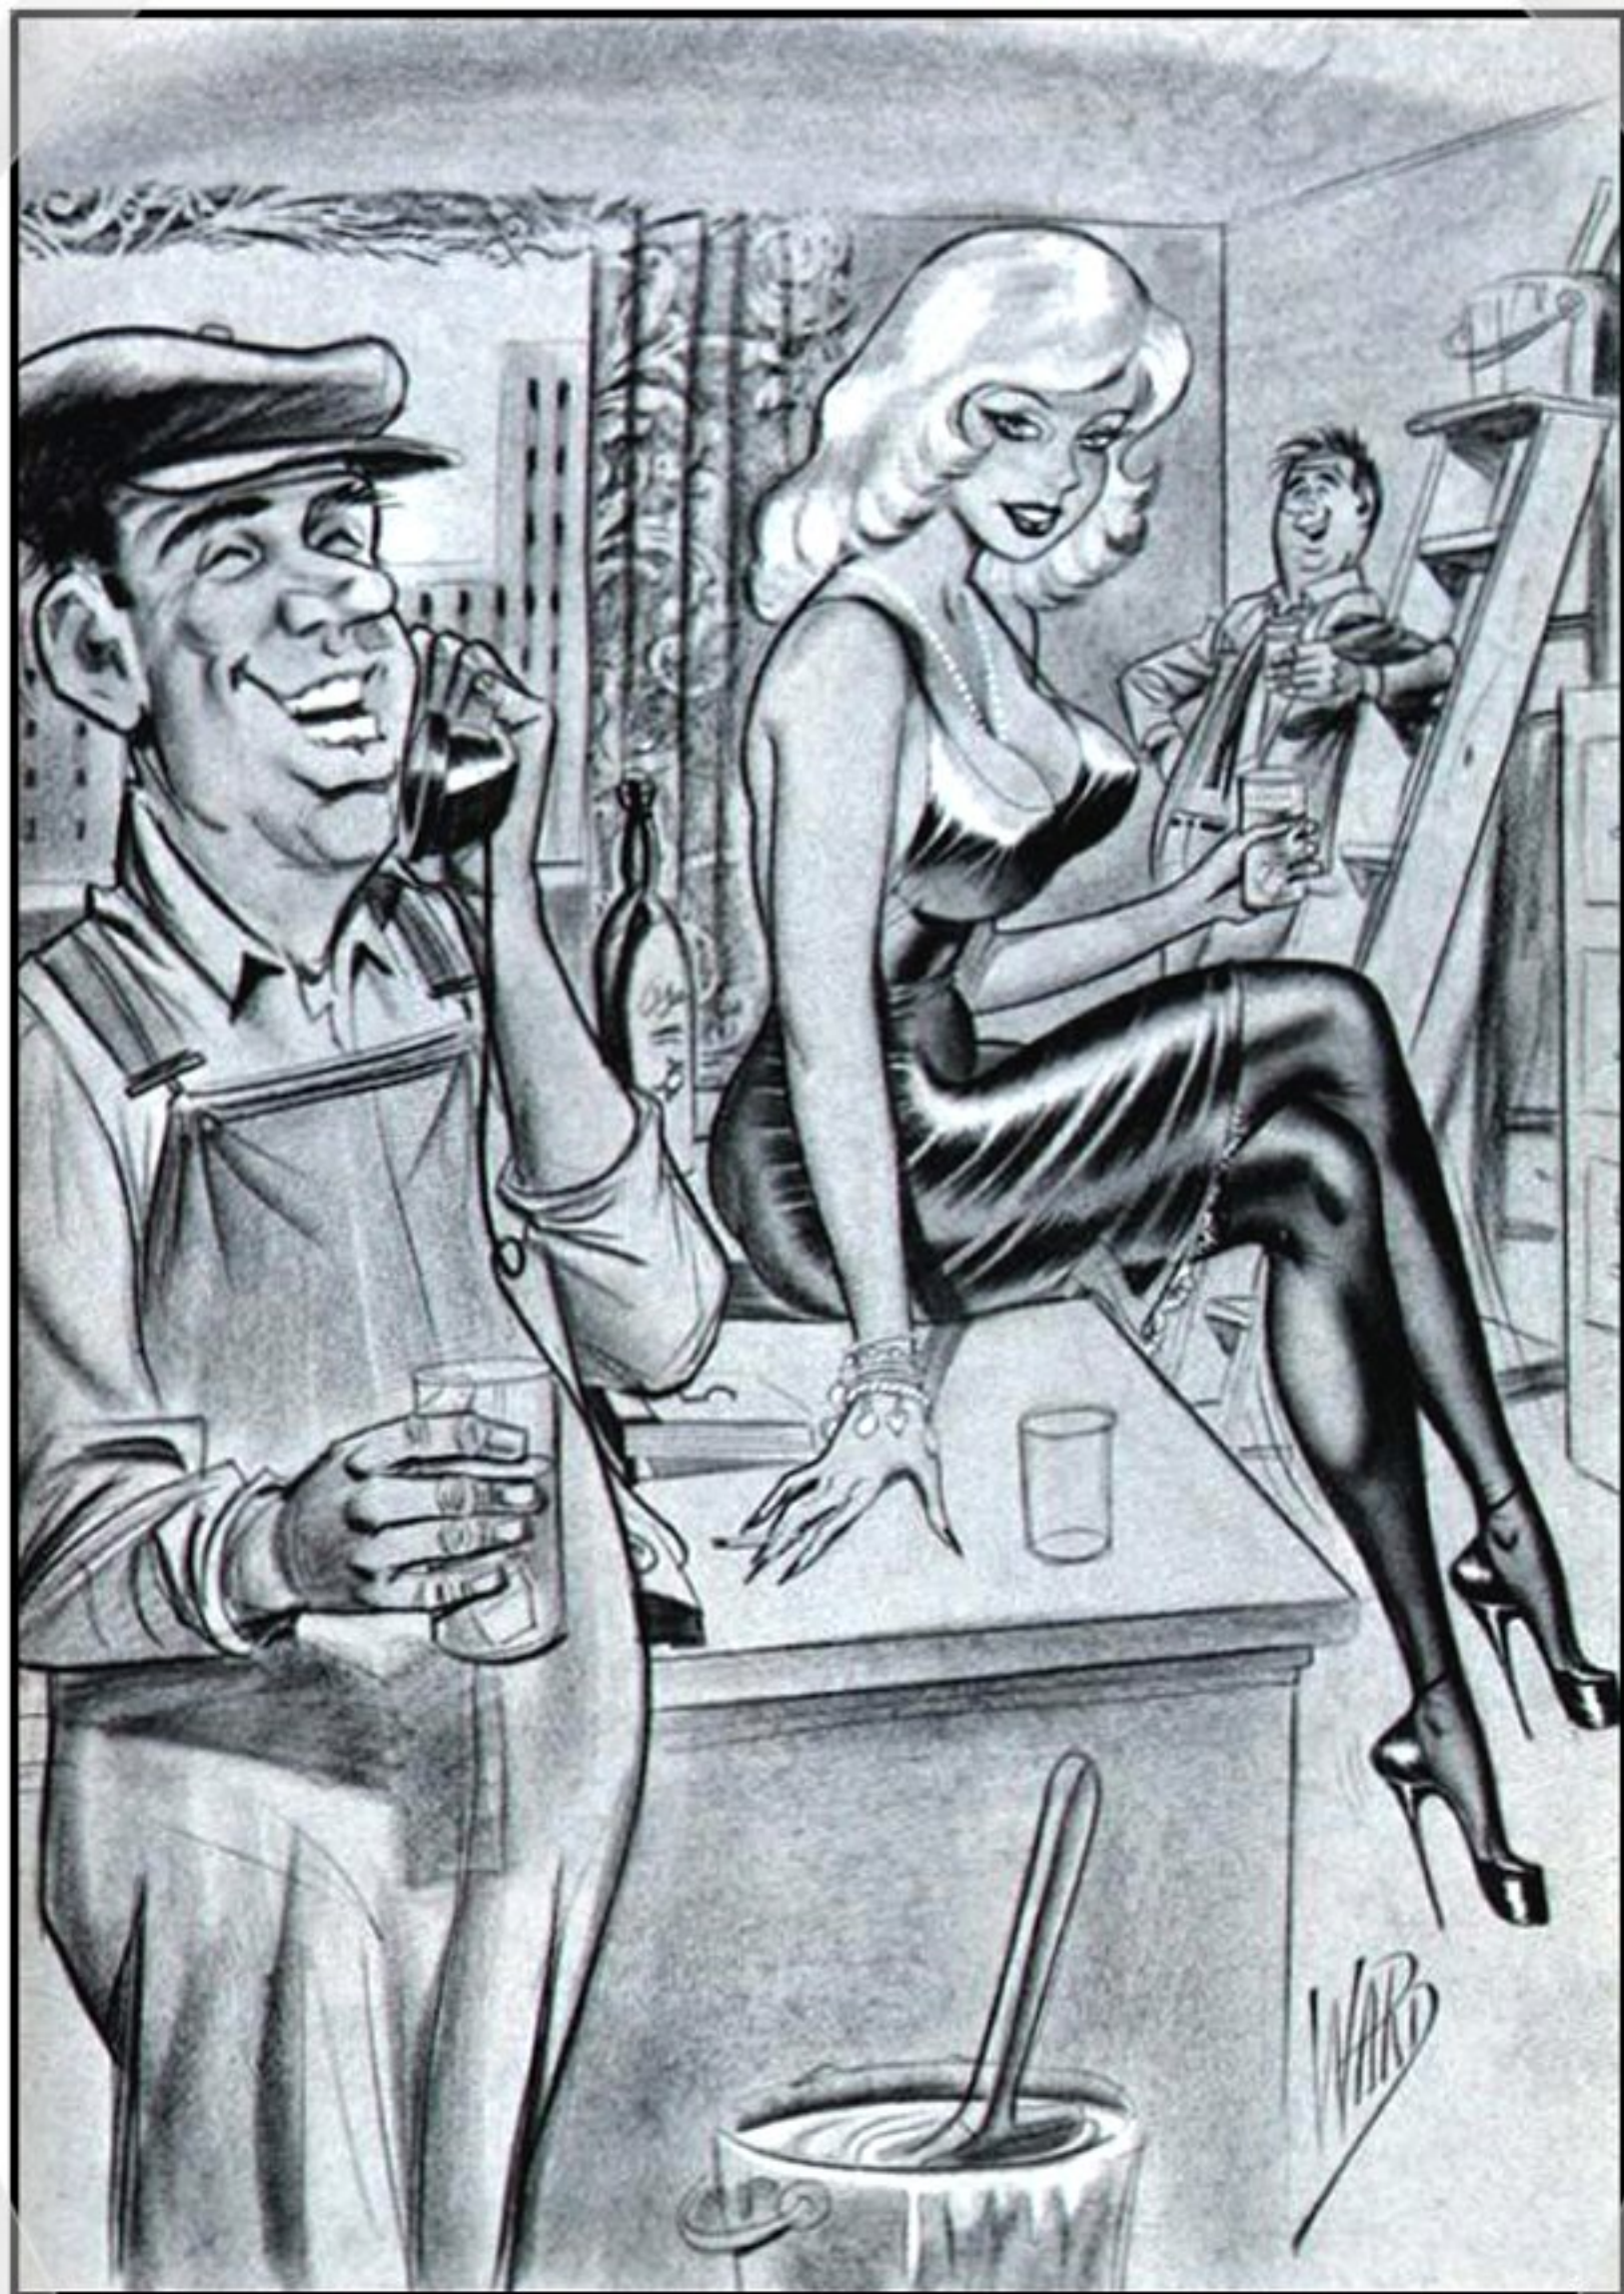

"—AND THAT GOES FOR ME TOO!"

"On the contrary, Doctor—I find that tight dresses increase my circulation!"

"I wish I was able to show off the way you do, Mr. Bigby!"

"Don't worry, boss—the whole place is plastered!"

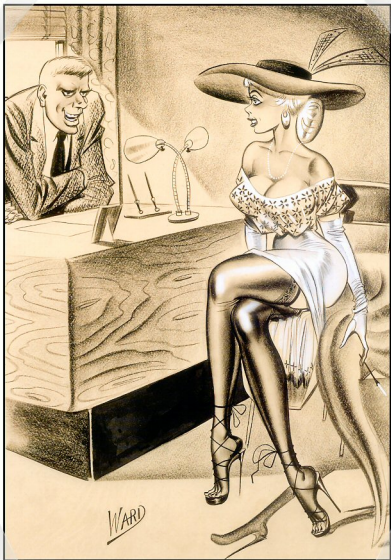

MG

WORKING GIRLS

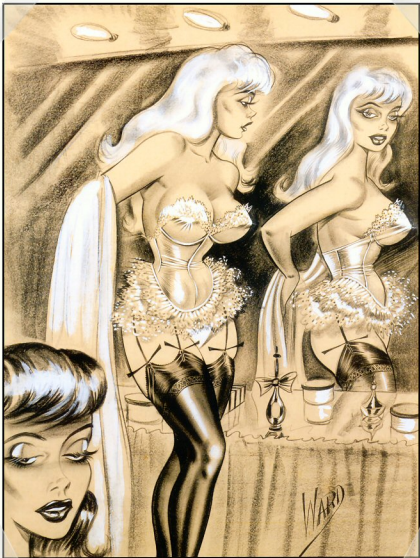

"And then my wife said, 'I'm the only woman on the block whose husband doesn't have a secretary!'"

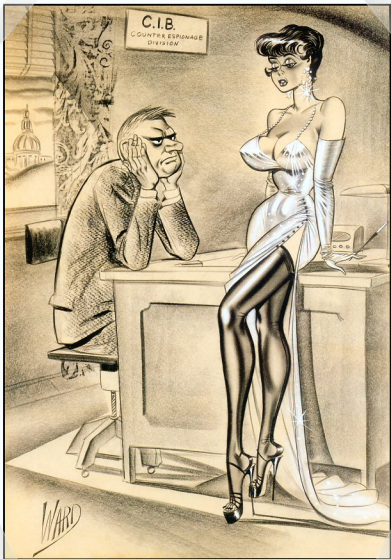

"We're all one big happy family here—but don't expect to be treated like a sister!"

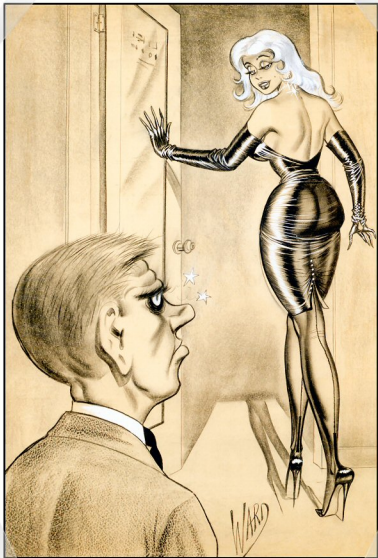

"And then when I told the character I didn't want to see him anymore—he turned out the lights!"

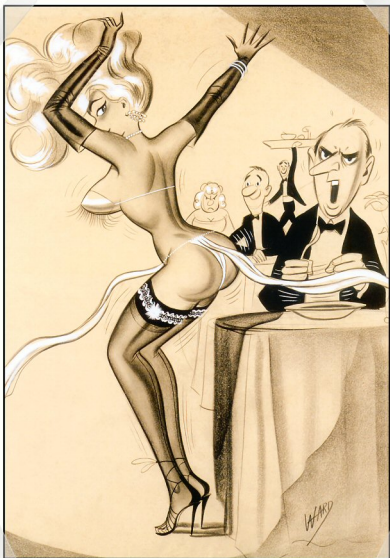

"It really got mixed up, Chief—I followed him, but then he started following me!"

I wish I had a swank office like yours, Mr. Harris—it's important to put up a big front!"

"Yes I applied for a position—but not that one!"

"Will you please go away miss, you're cooling my soup!"

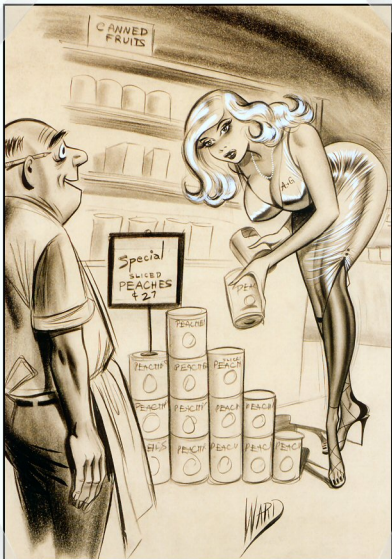

"I don't know why you don't have air conditioning like the other offices, Mr. Brandt!"

"I'm what is known as a take-charge girl—I take all I can and the rest I charge!"

"Beautifully stacked—beautifully stacked miss!"

"He left an hour ago, Sheriff, but you should catch up with him—he was pretty bushed when he left!"

BETWEEN THE ACTS - BACKSTAGE

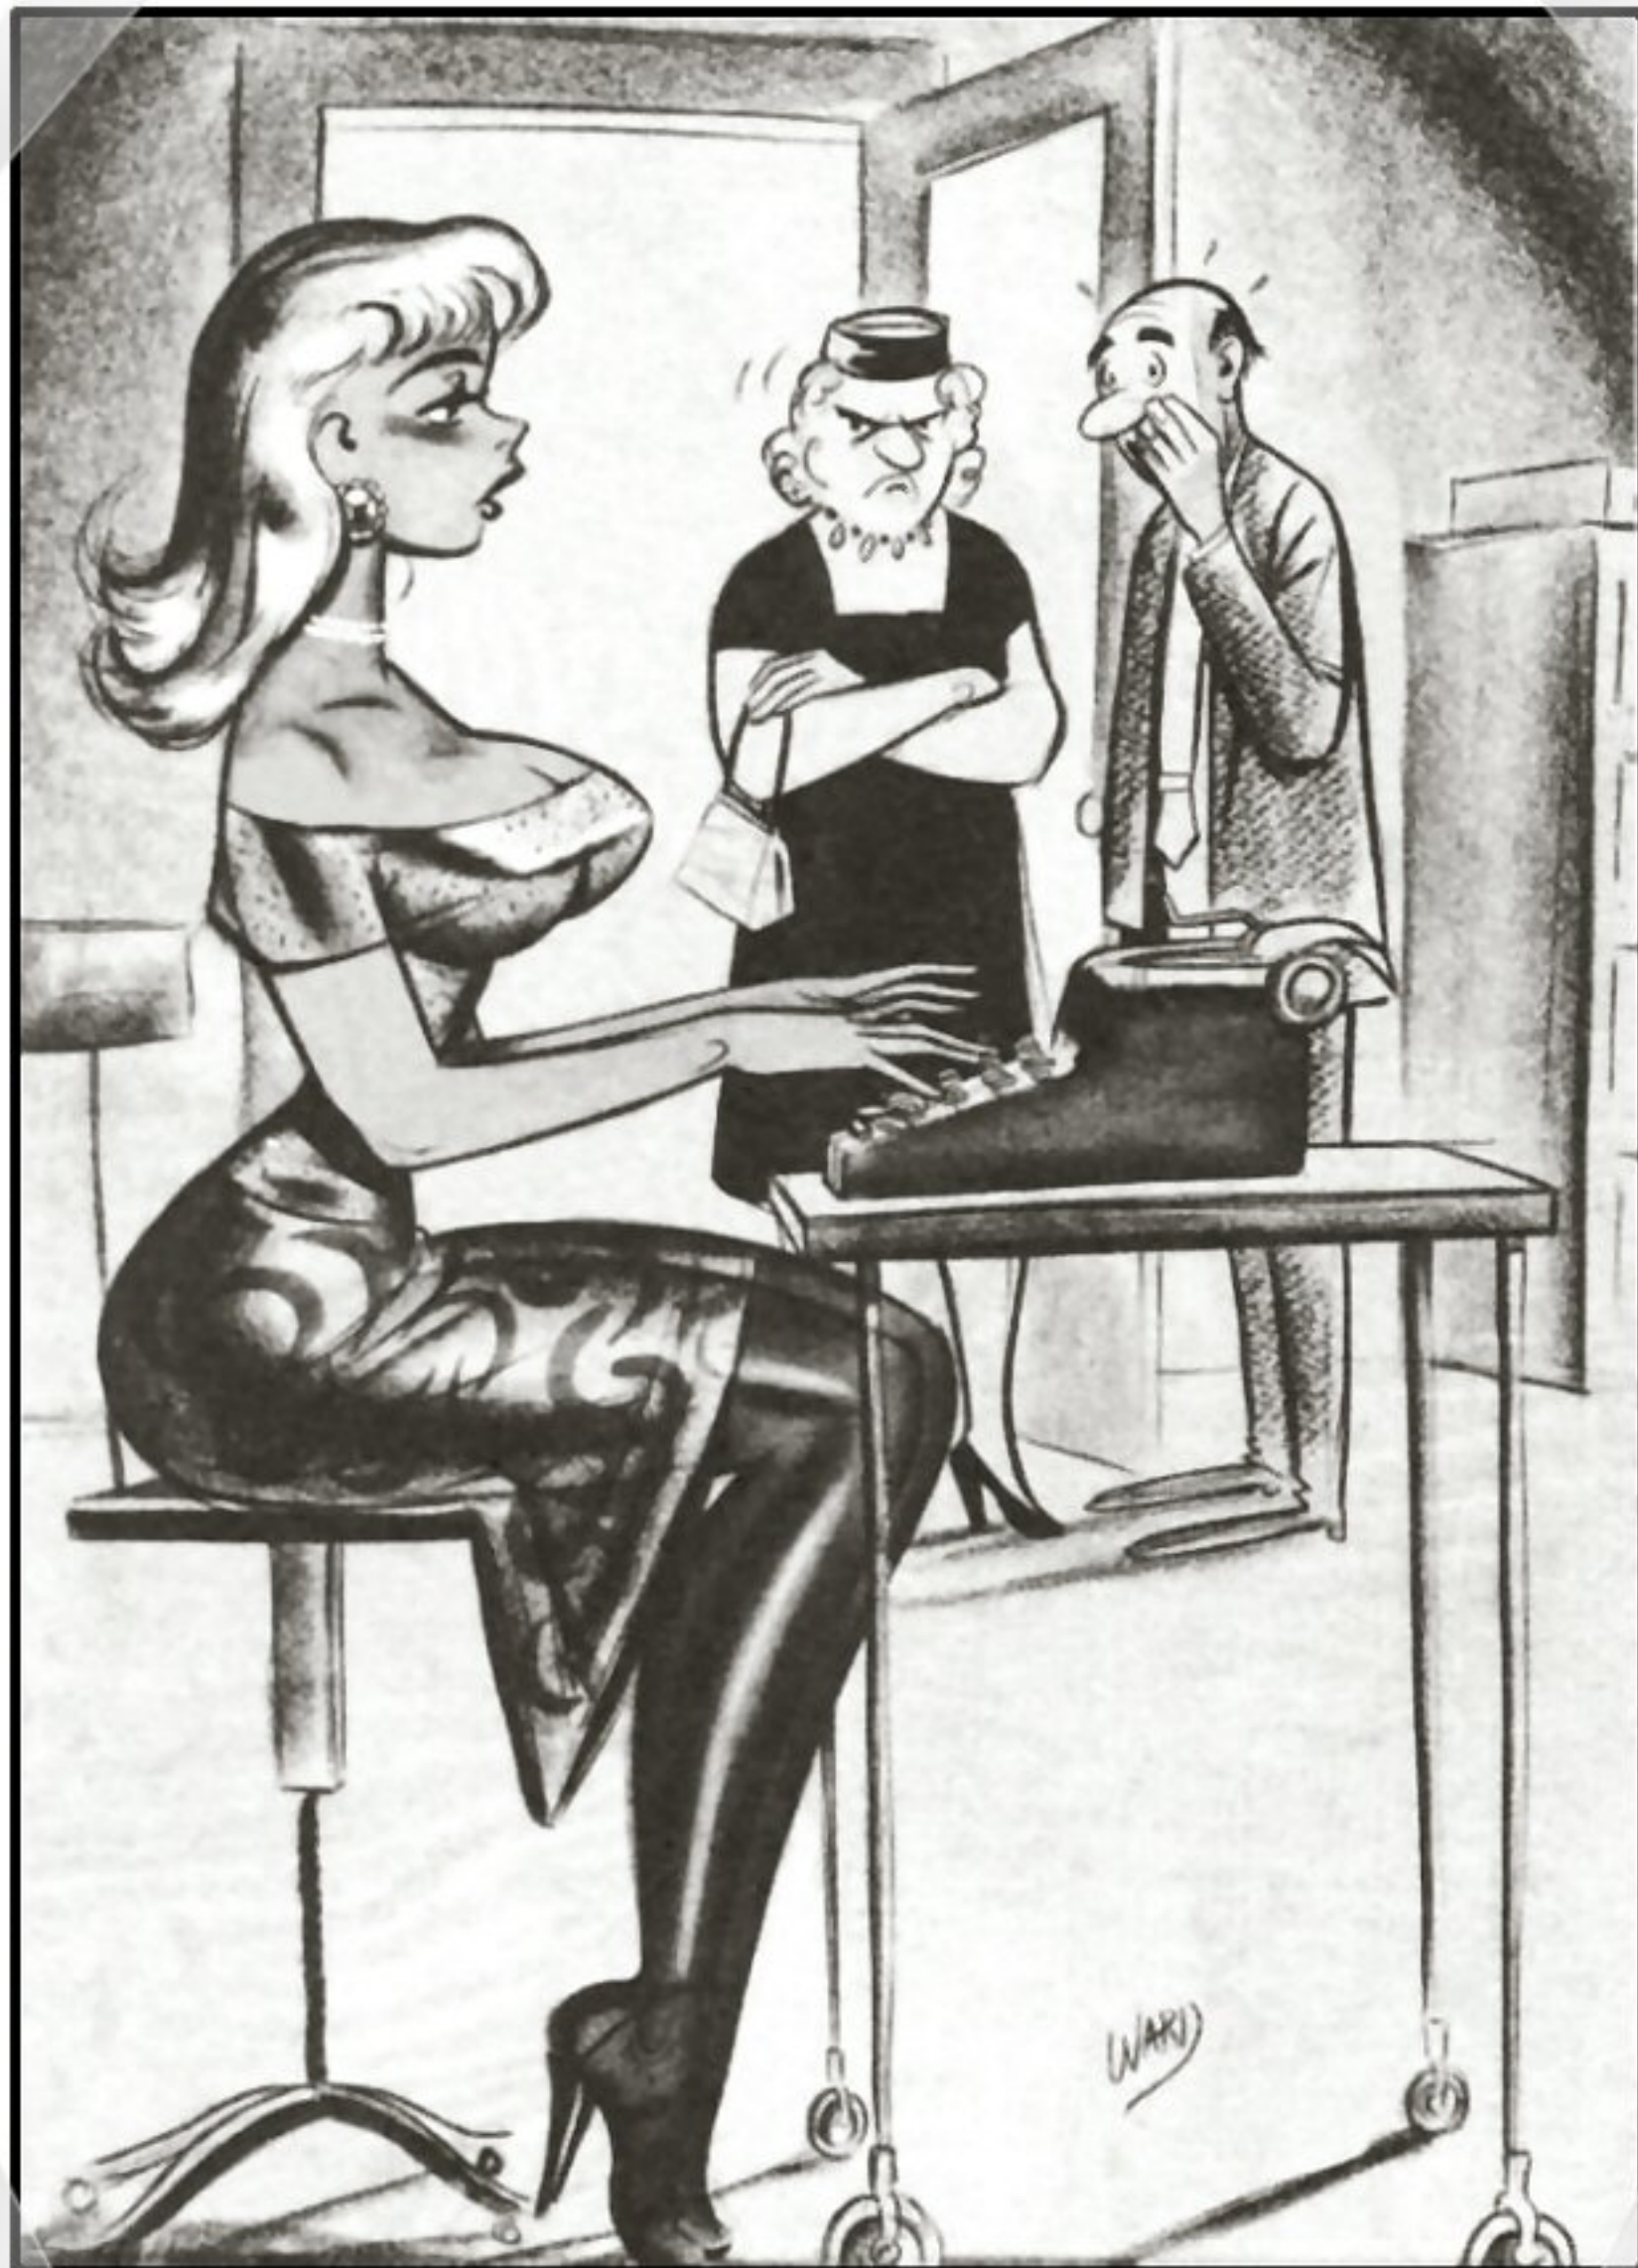

BETWEEN THE ACTS - DRESSING ROOM

"Mr. Mayer—I don't think this style is moving, but all these buyers are—and too fast to suit me!"

"MY SECRETARY IS A DREAM . . . JUST WAIT TILL MY WIFE WAKES UP!"

"I'M AFRAID YOU MISUNDERSTOOD ME WHEN I TOLD YOU MY NEW SECRETARY WAS AT LEAST 40—I MEANT 40 INCHES!"

*"Mr. Howard, I'll bet you a 100 cents that your wife
doesn't shed out no kisses!"*

"I'M SORRY BUT I CAN'T ACCEPT ANOTHER RAISE SO SOON — MY HUSBAND MIGHT BECOME SUSPICIOUS!"

"No, Marie, you're not bothering me—not the way you mean, anyway!"

"We're trying to stop our male employees from deserting to our competitors, and we think you're the one to handle the job!"

ME

THE MATING GAME

"I just made a terrific discovery—Miss James—I left the theater tickets in my other suit!"

"Well there was something I liked about you Harold—but I spent it all"

"But, Miss Birch—the first thing I teach my patients is to face their problems—not run away from them!"

"So you went out with that detective tonight—did you manage to resist a rest?"

"Oh, sis—the man who sponsored your mink is here!"

"Oh, Golly Mr. Powell—one more drink and tomorrow I won't be able to remember a thing about tonight!"

"Oh, yes Senorita—in South America this ees the most important part of the wedding rehearsal!"

"I got the black eye in a war alright—a boudeir!"

"I can give your husband a raise but I'll have to transfer him to Alaskan sales!"

"I THOUGHT IT WAS HIS BANK DEPOSIT SLIP, BUT IT WAS ONLY HIS ADDRESS CARD!"

"HI, HONEY; LET ME SHOW YOU HOW I MAKE A PEACH CORDIAL!"

"I WOULD LIKE TO EXCHANGE THIS FOR SOMETHING THAT WILL ATTRACT
A BETTER CLASS OF MEN!"

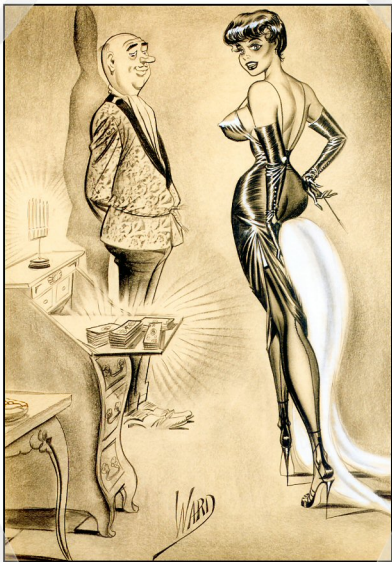

"CAN'T YOU BE POLITE AND WAIT UNTIL I FINISH SPELLING MY NAME!"

"My roommate is away, Mr. Harris, but she warned me about you—do come in!"

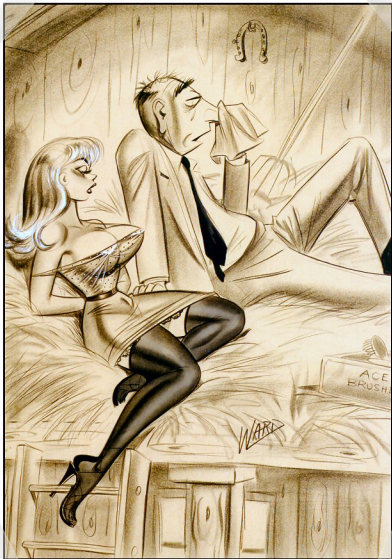

"Why Mr. Post—those are the loveliest etchings I've seen!"

"Gosh Harold—what did people use to do with their overings before television?!"

"I hear you're engaged to a second lieutenant! Did the first one get away?"

"A traveling salesman who suffers from hay fever shouldn't have lofty ideas!"

"I know I hired you six months ago for my show—but I forgot to mention that the show closed the following night!"

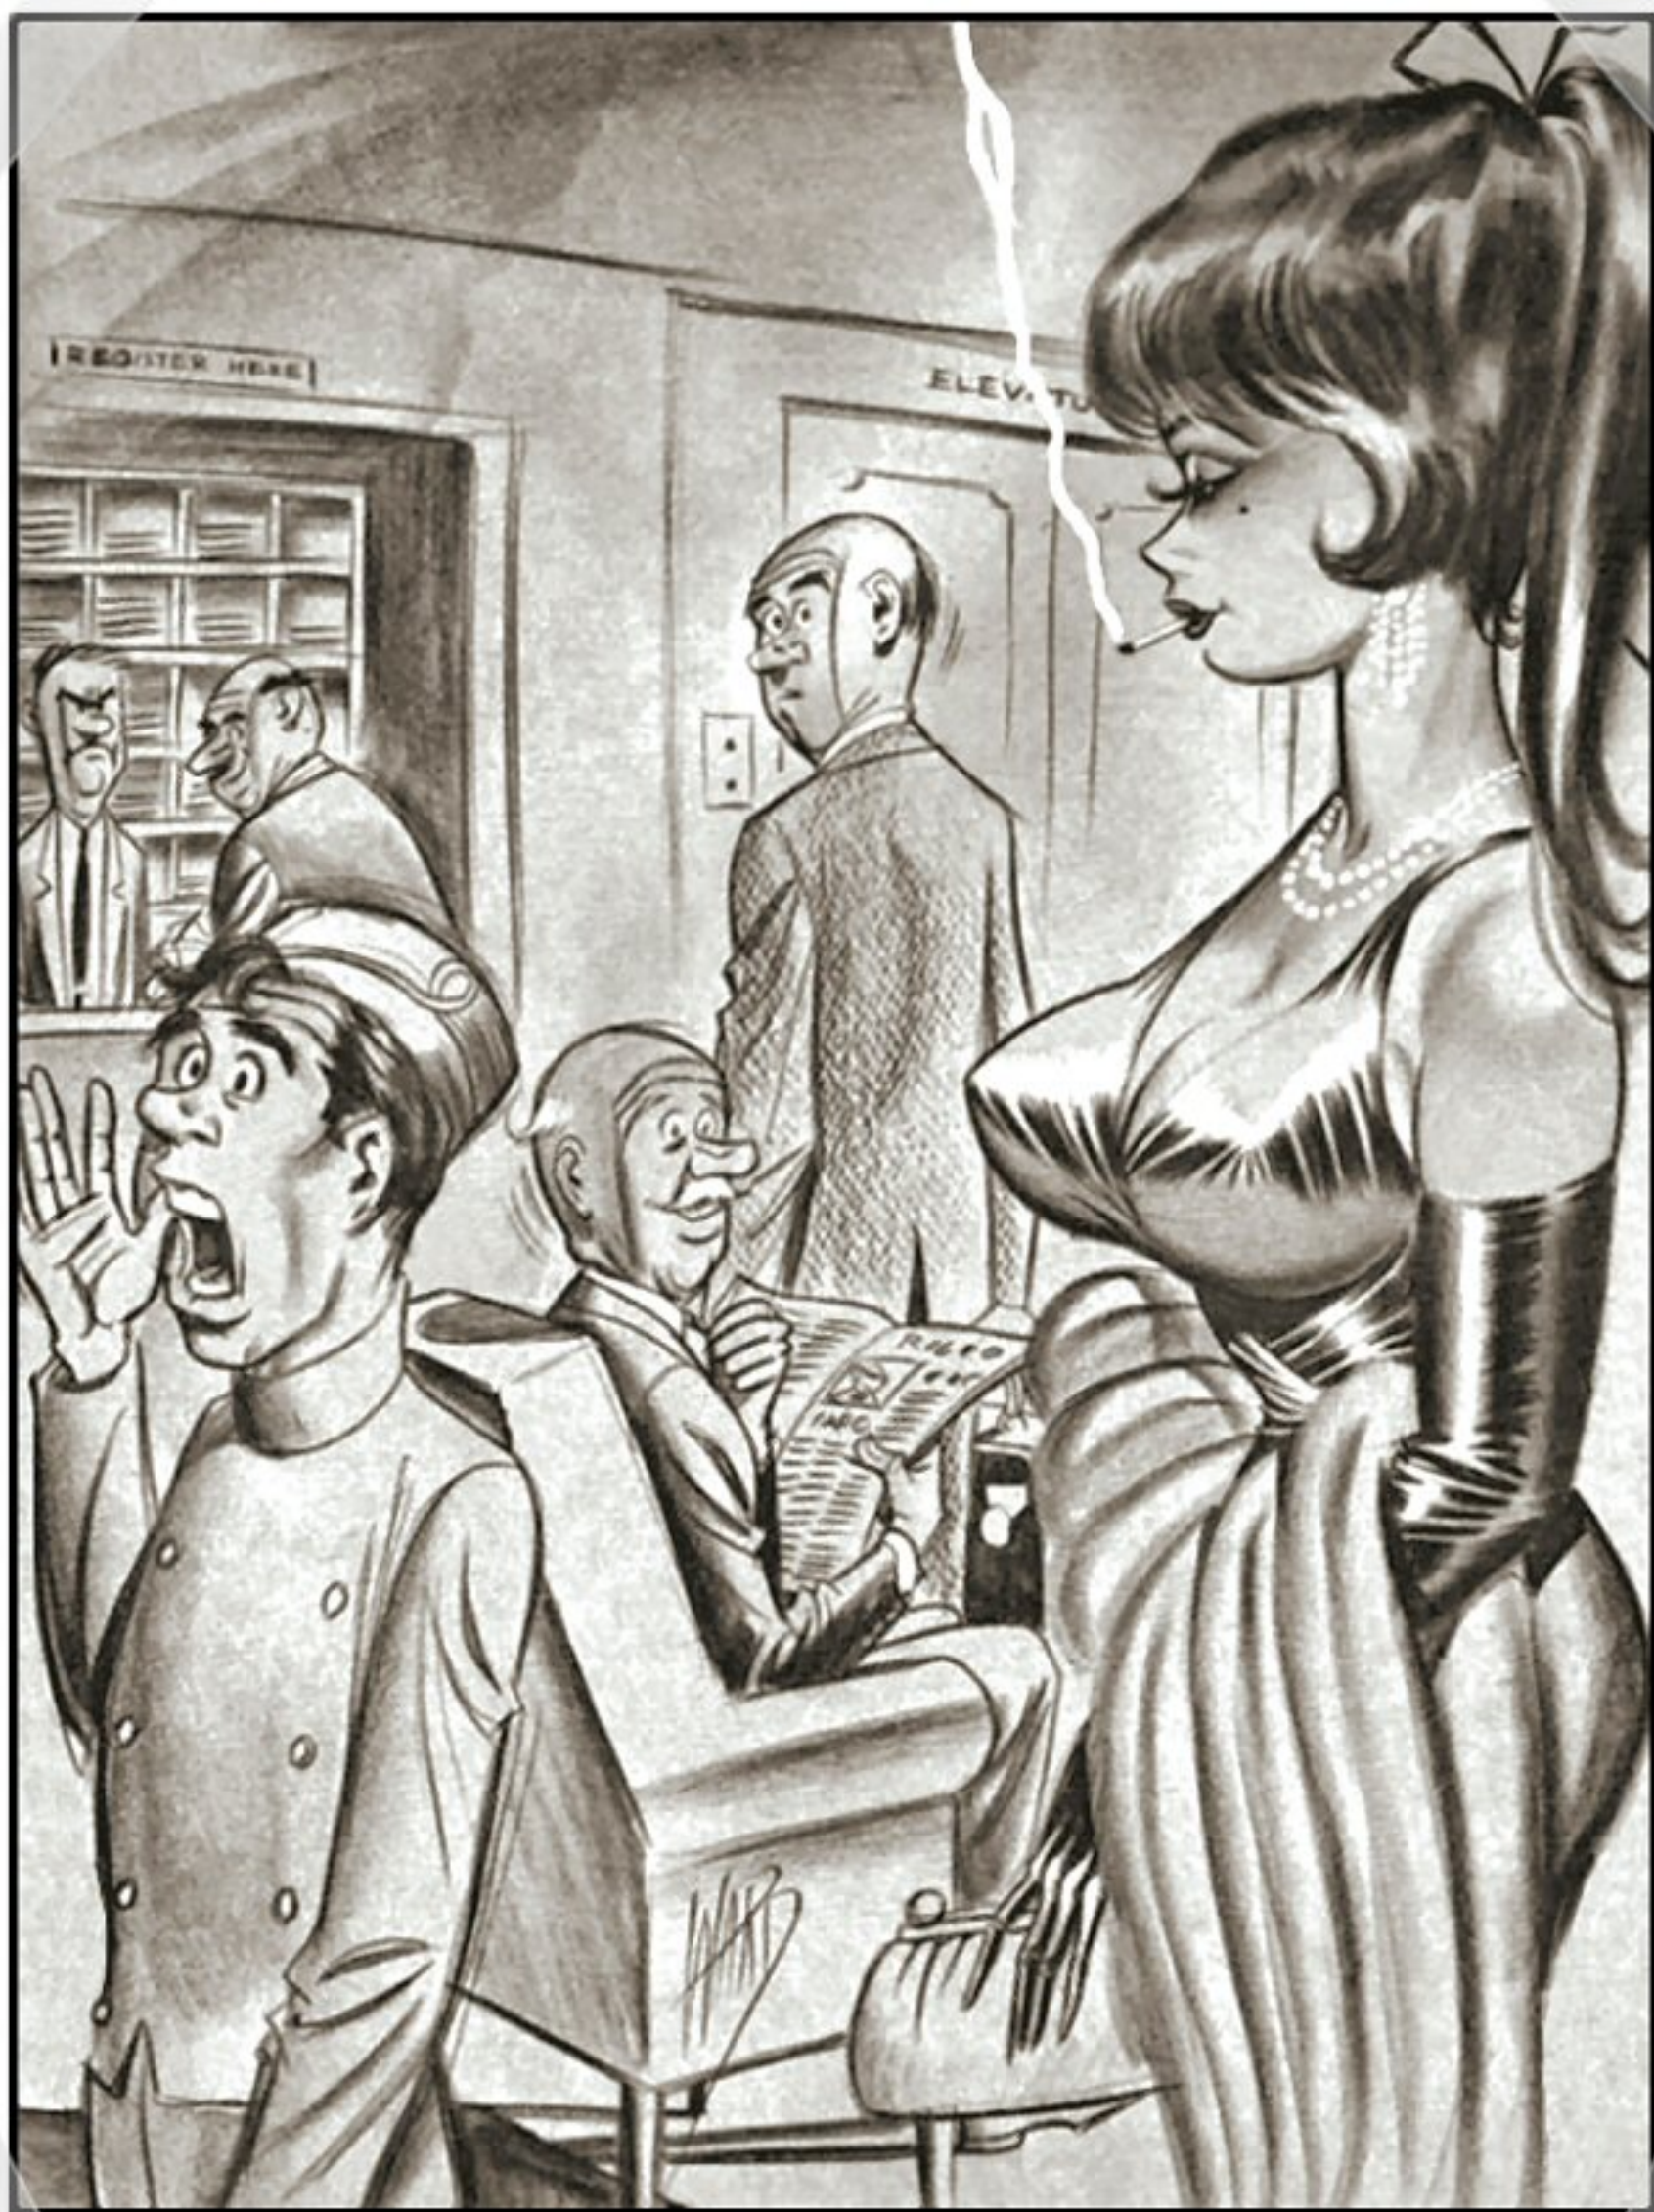

"If I could believe that you really wanted to play Parcheesi—I would let you catch me!"

"I don't know why I spend so much time getting ready for my dates when I always spend the evening in the parlor with the lights out?"

**"BUT I'D MAKE A GOOD RELIABLE HUSBAND, MARIE;
I HAVEN'T JUMPED BAIL ONCE!"**

*"Calling a millionaire—calling a millionaire—
she says anyone will do!"*

"YOU IDIOT—WHEN I SAID I WANTED A FUR STOLE, THAT ISN'T WHAT I MEANT!"

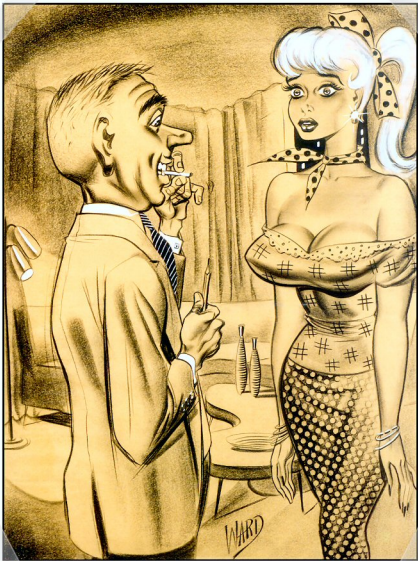

"O. K., POP, WHO'S SITTING WITH WHO?"

"I could only carry 2 drinks—I had to leave yours at the bar, Joe!"

"Sure I can keep the conversation on a high plane—let's go for a ride in my helicopter!"

"Well, then, how about a fast game of tic-tac-toe?"

"I still can't figure out what this thing is I found in our apartment!"

"We're out of coffee — but I can bring two containers up to your rooms as soon as I get through!"

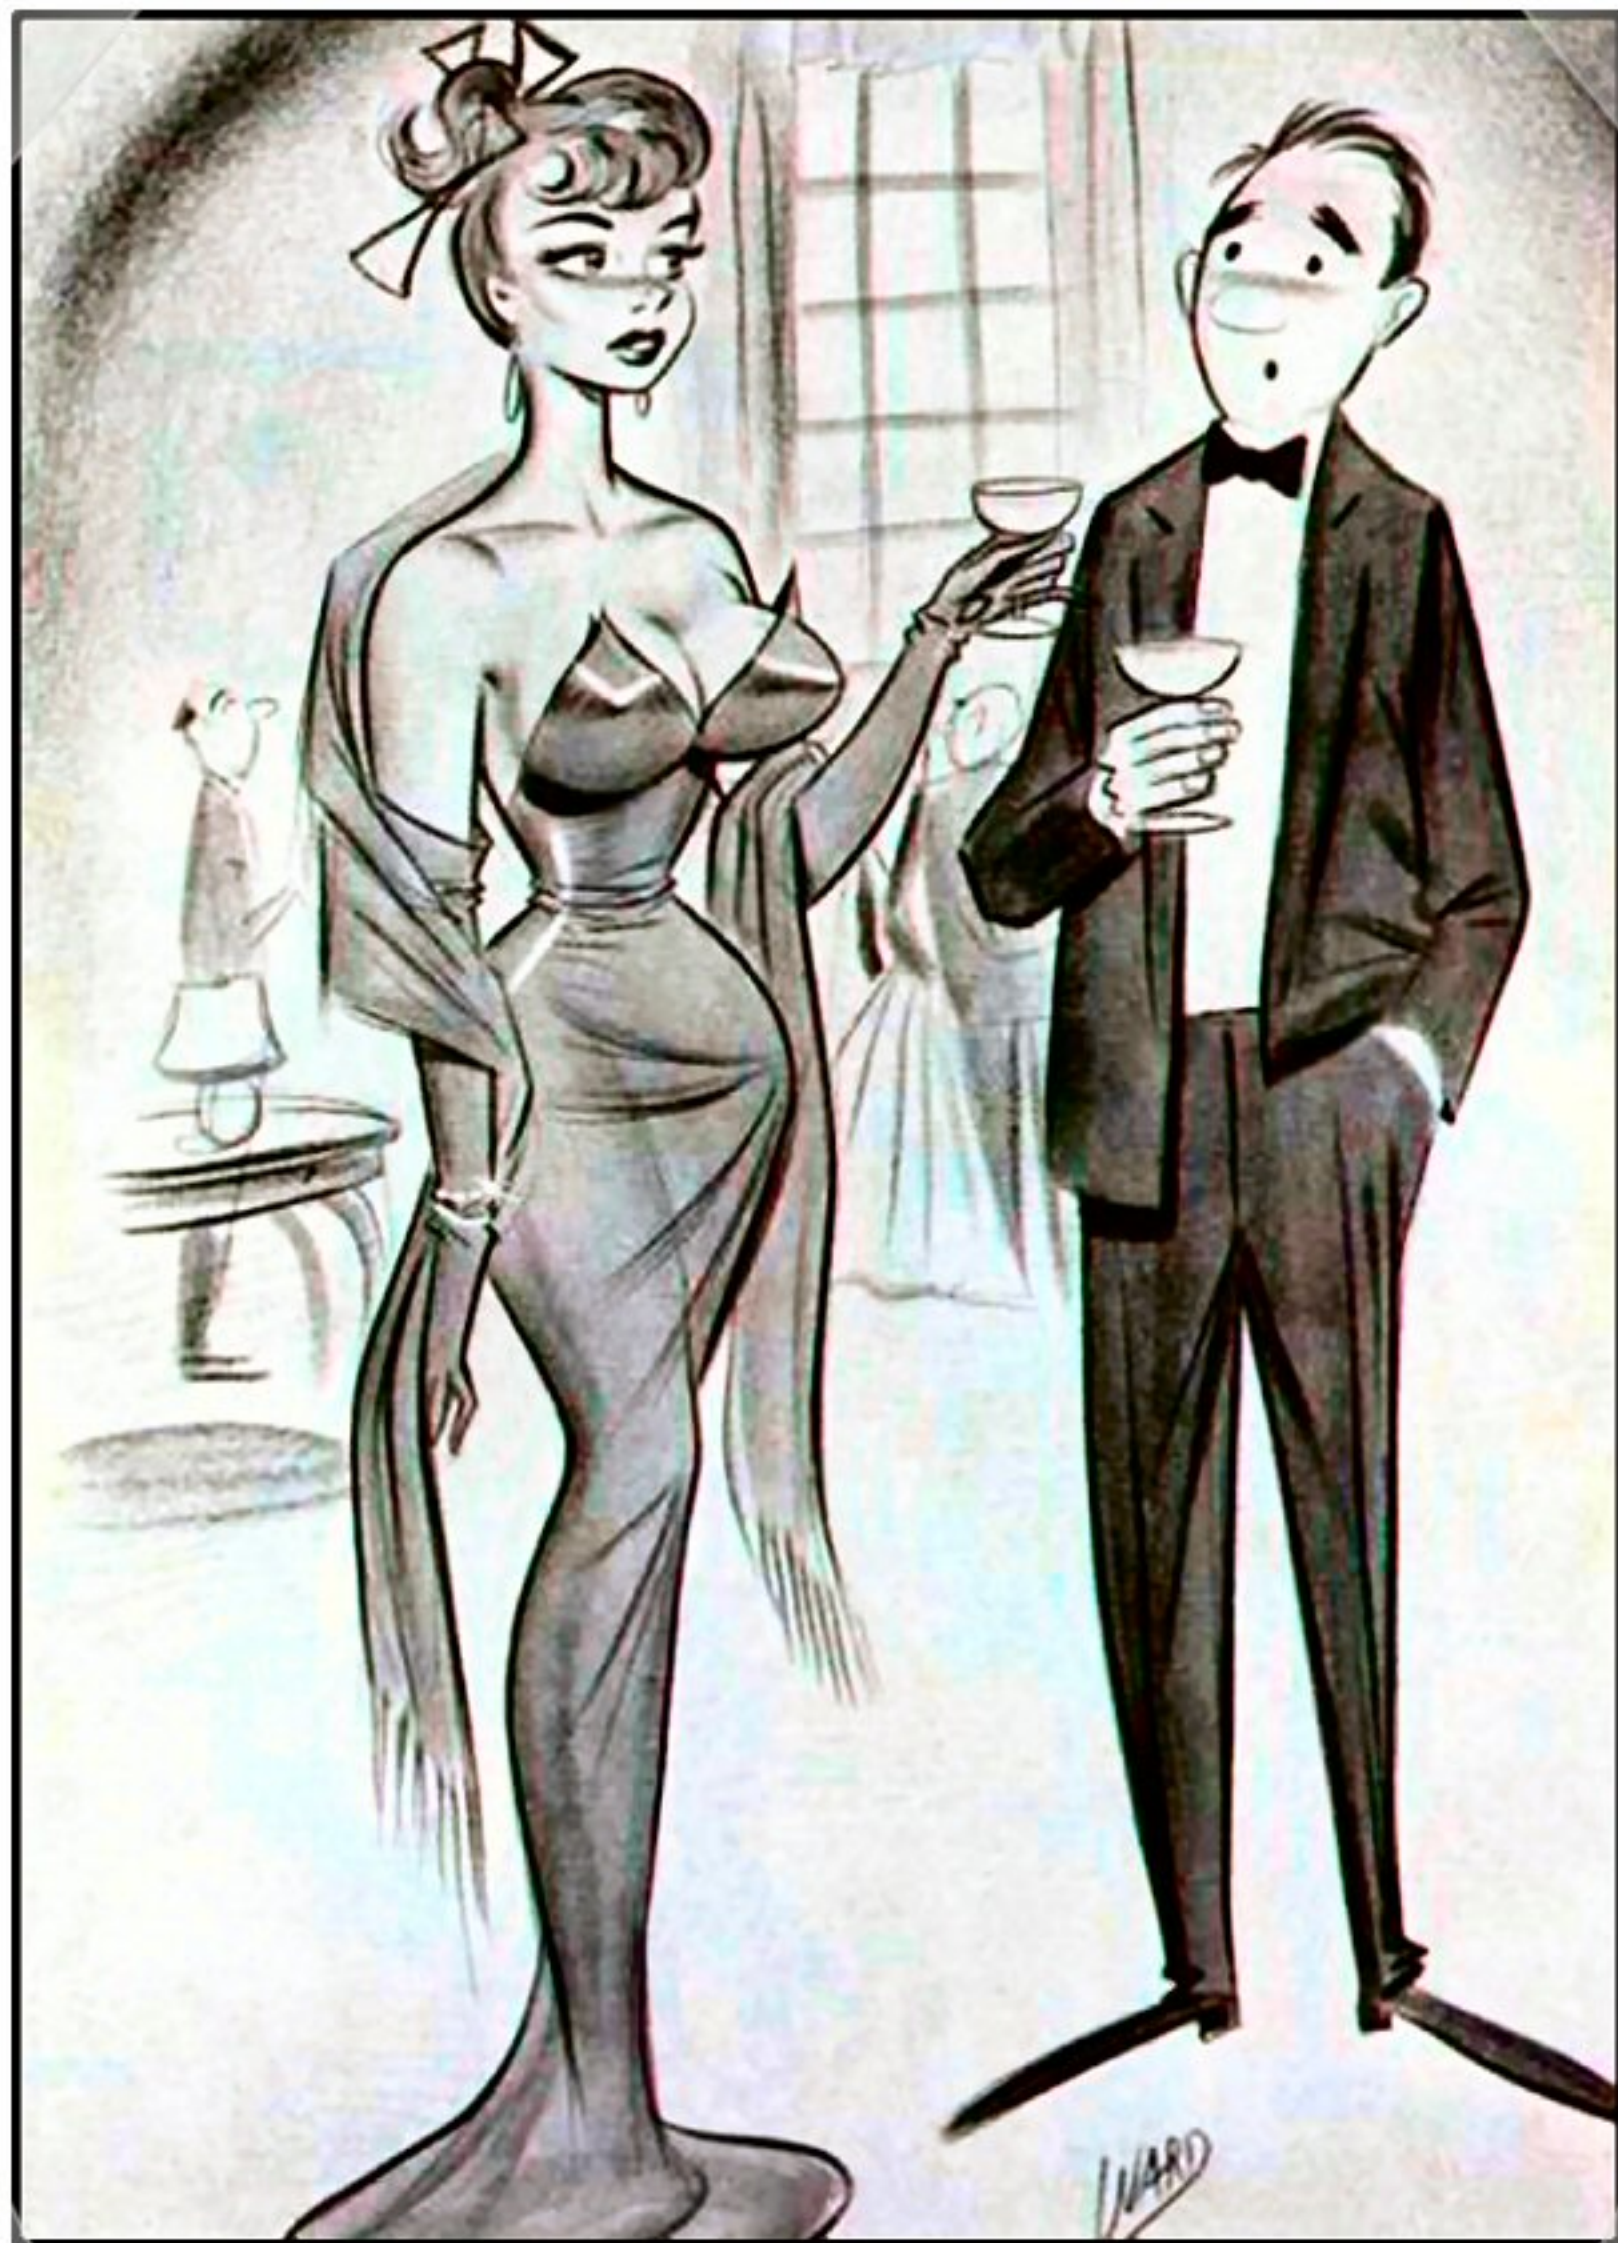

"Oh, no special reason—you just ribbed me the
wrong way!"

"COME IN FOR A NIGHT CAP — OF COURSE, I MEAN THE LIQUID KIND!"

"WHEN YOU SAID
I WAS THE APPLE
OF YOUR EYE, I
DIDN'T KNOW
YOU EXPECTED
EVERYTHING IN
APPLE PIE
ORDER!"

**"No, thanks, one drink is enough—I refuse
to get any tighter!"**

"You're knocking the devil out of my diet, Mr. Raskly!"

"And as a special added attraction, a set of handcuffs with every bottle, just in case it doesn't get results!"

"Why, I love you for a hundred reasons, Larry—for each one of your father's oil wells!"

FW

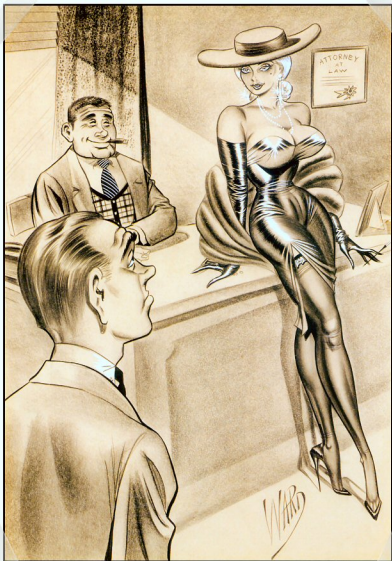

HUSBANDS AND WIVES

"C'mon Rosey, have a heart and get out of here—I've already cut myself four times!"

"Never mind why I took them—you'll have them back shortly!"

"Sorry dear, but I have to divorce you—I haven't had any decent publicity in weeks!"

"John, why is it that since we've been married—every time we start dressing to go out—you change your mind?"

"Now I can see why you objected when I decided to start wearing glasses!"

"Dear, if the new maid doesn't please you—I'll have to let you go!"

"Oh er—no—Harold—this is the something borrowed I wore for our wedding yesterday!"

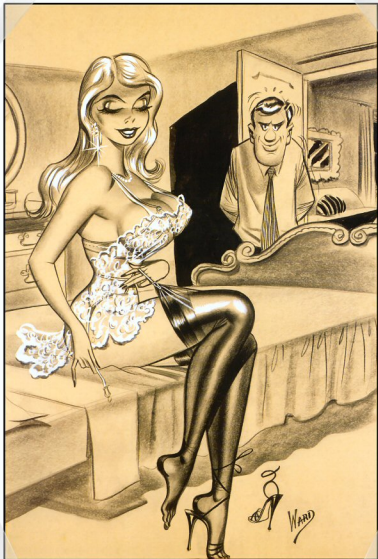

"And if you don't claim her in 10 days, home she goes for my wife!"

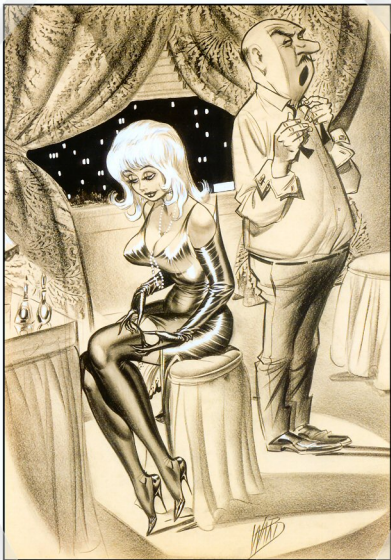

"Why Ethel, Pierre performed an absolute miracle!"

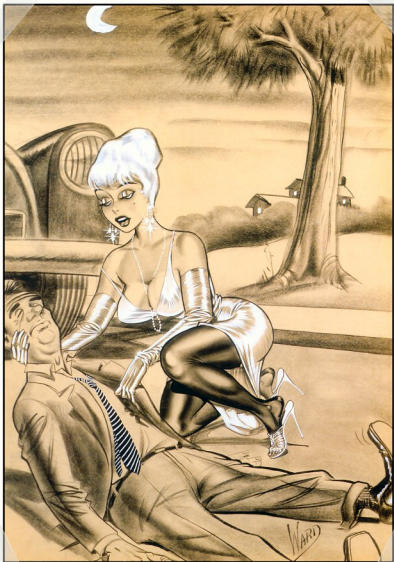

"You won't make a fool of yourself and stay sober tonight, will you George?!"

"But Harold—just because we got married is no reason to give up your night with the boys!"

"I don't know why I have to dress up too to go to parties, Terchy . . . nobody ever notices me!"

"Speak to me Joe—don't go yet—which pocket has the theater tickets?"

"Sure I'll love you when we're old, baby, but let's not waste time talking about it while we're young!"

"Now that you've heard my side of the story, I'll tell you his!"

"Oh, you don't have to show me where to sign, Judge—I could do it with my eyes shut!"

"What can you do in such miserable weather?"

"That lady says you swiped her husband and she wants to know where you buried him!"

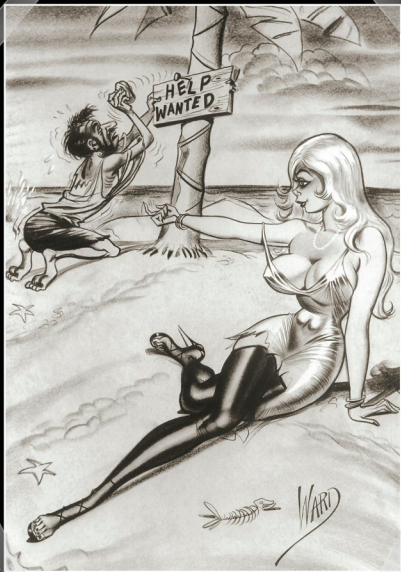

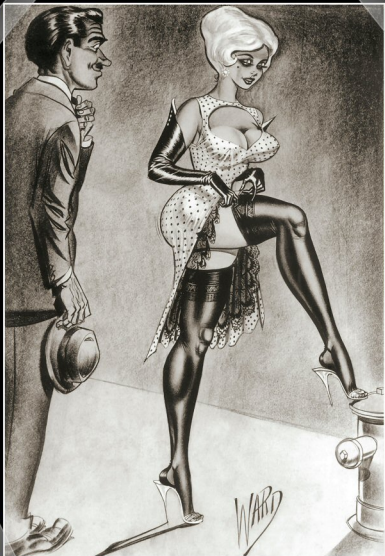

BLACK SILK STOCKINGS

"Miss, I represent the sky-high stilt company!"

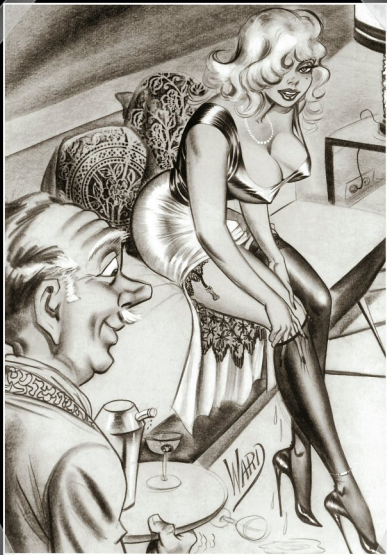

"The nerve of you trying to pick me up—me, Ethel Betts—65 Summer Street—Apt. 15J!"

"If it's money you're after—I forgot to mention that I've been out of work for nine months!"

"If I didn't know you were a gentleman, I would think you spilled that drink on my stocking deliberately!"

"Seems I can't leave you alone a moment—no sooner do I go on a business trip, and you take up smoking cigars!"

"I thought I would come around and wash your windows again today—in case I missed something!"

"My gosh—what happened to the second, third and fourth?!"

"Yes, Doris, that is a lovely dress--the trouble is, the only place that's still open now is an all-night diner!"

"Purseware and you'll go far with Post and Conklin—especially Conkling"

"I'm flattered Señors—but tell me—what's the big attraction!"

"The Heck with the ruins in the Roman Forum—they've been there a couple of thousand years—I guess they'll still be there tomorrow!"

"This is the treatment I usually prescribe for anyone who is two hours late for an appointment!"

*"But, J.B.—you said I could help myself to whatever
I found in your office!"*

"I HAD NO IDEA THEY REQUIRED SO MUCH IN A PASSPORT PHOTO!"

M

MISCELLANEOUS

*"I don't care if that is the reason they call it a sports car
—the answer is still no!"*

"Why, this is at least two sizes too small . . . and I had almost given up hope of ever getting a perfect fit!"

"Well, Harry, the art of courting hasn't changed through the ages—Greek maidens had to listen to lyres too!"

"Since you say it will pay for itself—would you mind coming back when it's all paid up!"

"Why, it's lovely, Butch—it must be worth at least fifteen years!"

*"A diamond is a girl's best friend, and
I'm ready to play ball with you'."*
