ARTICLES WANTED

Whether your thing is solid or hollow state. Crossovers, power supplies, or transformers. If you are an audio enthusiast, then you probably have information, tips, and experiences that would be valuable and/or entertaining to *audioXpress* readers. Why not share that information? *audioXpress* encourages your insights and offers you the opportunity to share your knowledge and show off your

handiwork. And...we'll pay you a modest stipend for your efforts. So, put a few bucks in your pocket. But most of all, become an active part of the audiophile community by sending your article—and any accompanying diagrams or photographs—to:
