

CUMULATIVE LIST OF ADMIRALTY NOTICES TO MARINERS

January 2005

This publication records the date of issue of the current edition of each navigational chart and of subsequent relevant Notices to Mariners issued since **Weekly Edition 1 of 2003** dated 2 January 2003.

This list reflects promulgated information up to **Notice to Mariners Weekly Edition 52 of 2004** dated 23 December 2004 (last notice number 5803/04).

Users should keep it updated from the information given in Sections I and II of the subsequent Weekly Editions unless NP 133a is in use. The next list will be published in 6 months time.

This publication also includes details of current Hydrographic Publications correct to 18 December 2004.

It is hoped that this list will be useful to chart users. Users are reminded, however, that the authoritative listings of Admiralty Notices to Mariners are those given in the Weekly Editions.

CUMULATIVE LIST OF NOTICES TO MARINERS

Chart numbers refer to navigational charts in the Admiralty series, including adopted Australian and New Zealand charts (indicated by the prefixes AUS and NZ respectively).

The edition date quoted indicates the month and year of publication of the current edition; that publication may have been in the form of a new chart, a new edition or a large correction (the relevant date is given in the bottom outside margin of the chart). A chart carrying an earlier edition date than that quoted in this list is no longer valid and should be replaced. Newly published New Charts and New Editions are not included in this list until publication is announced in the Weekly Editions of Admiralty Notices to Mariners. With the exception of adopted Australian and New Zealand charts, the announcement date coincides with the edition date printed on the chart. The edition date for adopted Australian and New Zealand charts indicates the date of publication by the producer nation and not the date of adoption by the UK Hydrographic Office.

The Notices to Mariners quoted for each chart are those which have been issued over the past 2 years. Figures in **bold** indicate the week the notice was issued. As mariners are unlikely to have easy access to copies of earlier notices, a chart which has become out of date over a longer period should be replaced or be updated by an Admiralty Chart Agent. If no notice has been issued during the past 2 years, the most recent notice affecting the chart concerned is quoted.

Those charts which are not normally updated by Admiralty Notices to Mariners have been omitted from this publication. Temporary and Preliminary Notices are not included.

A list of current Hydrographic Publications is contained in this publication. Details are also published quarterly in the Weekly Editions of Admiralty Notices to Mariners.
